## THE PROTOCOLS OF THE LEARNED ELDERS OF ZION

## AN OUTLINE

### Introduction

*The Protocols of the Learned Elders of Zion* were discovered at the turn of the century by a brilliant student of editorial research, Victor Marsden. Marsden, while a correspondent for the *London Morning Post* in Russia was thrown in jail and expected to be assassinated. By a miracle he escaped with his life and vowed that the first thing he would do would be to translate a document he had discovered (*The Protocols of the Learned Elders of Zion*). It was Mr. Marsden's belief that *The Protocols* were issued at the first Zionist Congress held in Basle, Switzerland, in 1897, under the Presidency of the father of modern Jewish Zionism, the late Theodore Herzl.

This deadly document contains 24 Protocols made up of 283 articles. Every paragraph is sensational and shocking beyond the ability of the average reader to believe.

The quotations which follow are accurate examples.

Political freedom is an idea but not a fact. This idea one must know how to apply whenever it appears necessary with this bait of an idea to attract the masses of the people to one's party for the purpose of crushing another who is in authority. This task is rendered easier if the opponent has himself been infected with the idea of freedom, so-called liberalism, and, for the sake of an idea, is willing to yield some of his power. It is precisely here that the triumph of our theory appears; the slackened reins of government are immediately, by the law of life, caught up and gathered together by a new hand, because the blind might of the nation cannot for one single day exist without guidance, and the new authority merely fits into the place of the old already weakened by liberalism.

Protocol Number One — Article 6

THE ENEMY IS AMONG US  
NEAR COMMUNISM OR AS A SLAVE

JEW CAPTURE JERUSALEM

HOLY SHRINES DESECRATED

Wake Up America!

Our right lies in force. The word "right" is an abstract thought and proved by nothing. The word means no more than: Give me what I want in order that thereby I may have a proof that I am stronger than you.

Protocol Number One — Article 12

Our power in the present tottering condition of all forms of power will be more invincible than any other, because it will remain invisible until the moment when it has gained such strength that no cunning can any longer undermine it.

Protocol Number One — Article 15

Behold the alcoholized animals, bemused with drink, the right to an immoderate use of which comes along with freedom. It is not for us and ours to walk that road. The peoples of the goyim are bemused with alcoholic liquors; their youth has grown stupid on classicism and from early immorality, into which it has been inducted by our special agents — by tutors, lackeys, governesses in the houses of the wealthy, by clerks and others, by our women in the places of dissipation frequented by the goyim. In the number of these last I count also the so-called "society ladies," voluntary followers of the others in corruption and luxury.

Protocol Number One — Article 22

The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world.

Protocol Number Two — Article 2

Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism, Marxism, Nietzscheism. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the goyim.

Protocol Number Two — Article 3

In the hands of the States of today there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing our requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the goyim States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight

of God a thousand goyim.

#### Protocol Number Two — Article 5

We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces — Socialists, Anarchists, Communists — to whom we always give support in accordance with an alleged brotherly rule.

#### Protocol Number Three — Article 7

And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things the people are destroying every kind of stability and creating disorders at every step.

#### Protocol Number Three — Article 19

In order to give the goyim time to think and take note, their minds must be diverted towards industry and trade. Thus, all the nations will be swallowed up in the pursuit of gain and in the race for it will not take note of their common foe.

#### Protocol Number Four — Article 4

In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such length of time as will suffice to make the goyim lose their heads in the labyrinth and come to see that the best thing is to have no opinion of any kind in matters political, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.

#### Protocol Number Five — Article 10

By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government.

#### Protocol Number Five — Article 11

The Press, which, with a few exceptions that may be disregarded, is already entirely in our hands.

#### Protocol Number Seven — Article 5

We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and — the main thing — millionaires, because in substance everything will be settled by the question of figures.

#### Protocol Number Eight — Article 2

We are in a position to tell you with a clear conscience that at the proper time we, the law-givers, shall execute judgment and sentence, we shall slay and we shall spare, we, as head of all our troops are mounted on the steed of the leader. We rule by force of will, because in our hands are the fragments of a once powerful party, now vanquished by us. And the weapons in our hands are limitless ambitions, burning greediness, merciless vengeance, hatreds and malice.

#### Protocol Number Nine — Article 3

It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all

doctrines, restoring monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace: but we will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.

#### Protocol Number Nine — Article 4

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

#### Protocol Number Nine — Article 10

You may say that the goyim will rise upon us, arms in hand, if they guess what is going on before the time comes; but in the West we have against this a maneuver of such appalling terror that the very stoutest hearts quail — the undergrounds, metropolitans, these subterranean corridors which, before the time comes, will be driven under all the capitals and from whence those capitals will be blown into the air with all their organizations and archives.

#### Protocol Number Nine — Article 13

To secure this we must have everybody vote without distinction of classes and qualifications, in order to establish an absolute majority, which cannot be got from the educated propertied classes.

#### Protocol Number Ten — Article 5

We shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other — then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages, and honor connected with the office of president.

#### Protocol Number Ten — Article 13

The goyim are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock.

#### Protocol Number Eleven — Article 4

Not a single announcement will reach the public without our control.

#### Protocol Number Twelve — Article 4

In order that the masses themselves may not guess what they are about we further distract them with amusements, games, pastimes, passions, people's palaces. . . . Soon we shall begin through the press to propose competitions in art, in sport in all kinds: these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them.

#### Protocol Number Thirteen — Article 3

Who will ever suspect then that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries.

#### Protocol Number Thirteen — Article 6

In countries known as progressive and enlightened

**WAKE UP, AMERICA! FIGHT COMMUNISM**

we have created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed.

**Protocol Number Fourteen — Article 5**

We shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom.

**Protocol Number Fifteen — Article 1**

When comes the time of our overt rule, the time to manifest its blessings, we shall remake all legislatures, all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature which will run right through them is submission to orders and this principle will be carried to a grandiose height.

**Protocol Number Fifteen — Article 12**

When our King sets upon his sacred head the crown offered him, he will become patriarch of the world.

**Protocol Number Fifteen — Article 23**

In order to effect the destruction of all collective forces except ours we shall emasculate the first stage of collectivism—the universities, by re-educating them in a new direction. Their officials and professors will be prepared for their business by detailed secret programmes of action from which they will not with immunity diverge, not by one iota. They will be appointed with especial precaution, and will be so placed as to be wholly dependent upon the government.

**Protocol Number Sixteen — Article 1**

We have long past taken care to discredit the clergy of the goyim and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion.

**Protocol Number Seventeen — Article 2**

You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.

**Protocol Number Twenty — Article 22**

So long as loans were internal the goyim only shuffled their money from the pockets of the poor to those of the rich, but when we bought up the necessary person in order to transfer loans into the external sphere all the wealth of the States flowered into our cash boxes and all the goyim began to pay us the tribute of subjects.

**Protocol Number Twenty — Article 32**

We shall replace the money markets by grandiose government credit institutions, the object of which will be to fix the price of industrial values in accordance with government views. These institutions will be in a position to fling upon the market five hundred millions of industrial paper in one day, or to buy up for the same amount. In this way all industrial undertakings will come into dependence upon us. You may imagine for yourselves what immense power we shall thereby secure for ourselves.

JOZEF MLOT-MROZ, EDITOR

18 BOARDMAN ST., SALEM, MASS. 01970

We offer to you and unto your hands, our February edition of the bulletin which is released by the Polish Freedom Fighters, within which we wish to present the names and pictures of people, who, having high positions in the hierarchy of President Johnson, or those who being in the service of Jewish-Communism, spread anarchy, confusion, riots, fire and terror, during the term of Presidents Kennedy and Johnson.

He is Risen

Many of them, today, must depart, to make room for the Nixon people, but, I advise you to remember those faces and those names, because they are yesterday's and today's anarchists and for the future, (God forbid!), your murderers.

Jozef Mlot-Mroz, with his anti-communist crusade before the White House in Washington, on January 19, 1969, and in the rear are seen the reviewing - stands prepared for President Nixon's Inaugural.

Through radicals such as these, one can plainly see the Zionist hand directing and controlling the thinking of the New Left. From left to right: Allan Katzman, managing editor of Manhattan's "East Village Other," who hopes to transform the Middle Class through media

and LSD; Michael Kindman, editor of "The Paper," of East Lansing, Mich.; Art Kunkin, publisher of Los Angeles "Free Press," who studied at the New School for Social Research; Harvey Ovshinsky, editor, started the "Fifth Estate of Detroit," because "the liberals, the hippies and the anarchists have no organ . . ."; Max Scherr, editor of a weekly, "The Berkeley (California) Barb."

# ARE YOU BEING **BLACKMAILED**

INTO ACCEPTING FORCED "OPEN HOUSING"  
AND ANTI-GUN LEGISLATION  
BY THE THREAT OF MORE "RIOTS"?

HOW MANY MORE RIGHTS ARE YOU WILLING  
TO SURRENDER?

HOW MUCH FURTHER ARE WE GOING TO RETREAT  
BEFORE WE STAND UP LIKE RED-BLOODED AMERICANS  
AND FIGHT TO RETAIN WHAT IS RIGHTFULLY OURS?

Only days after whole sections of our city were engulfed in flames sparked by trained arsonists and spread while firemen were held at bay by skilled snipers, "Black Power" leader Stokely Carmichael warned from Havana, capital of Communist-dominated Cuba, "We are PREPARING groups of urban guerrillas. This fight is not going to be a simple street meeting, it is going to be a fight to the death." Shortly after that H. Rap Brown, another "Black Power" hoodlum, described the Detroit and Newark 'riots' as mere DRESS REHEARSALS for far worse to follow. In the meantime the arson continues, gunshops are being broken into and weapons are being stolen at an alarming rate.

In light of these realities are you NOW willing to PREPARE YOURSELF for the violence that is being planned? Or are you willing to be BLACKMAILED by "Black Power" and other subversives into meeting their every demand? Will you again be so gullible as to fall for the theories of muddle-headed do-gooders who told you "It couldn't happen here" and now offer as solutions only more of what has failed in the past?

Will you allow yourself to be deceived again by the distortions and smears of the mass news media? Are you willing to entrust your safety to cowardly public officials who permitted the last 'riot' to spread by tying the hands of the police and now in an attempt to appease the gang who put Detroit to the torch demand forced "open housing" and other laws depriving YOU of YOUR rights?

IF YOU ARE NOW WILLING TO FACE THE HARD, NAKED TRUTH ABOUT THE 'RIOTS', FORCED "OPEN HOUSING" AND THE PUSH FOR ANTI-GUN LEGISLATION AND YOU WISH TO TAKE A STAND FOR YOUR COUNTRY, YOUR HOME AND YOUR FAMILY - THEN BE SURE TO **fight against Communism!**

MORTON SOBELL

It was predicted six months ago by The Thunderbolt that patriotic Gen. William C. Westmoreland would soon be kicked out of the Army and replaced by a Jew. This prediction was based upon the information released last Fall that Gen. Creighton W. Abrams was being sent to Viet Nam as second in command.

The ultra liberals have long hated Westmoreland because he

wants to use strong methods to win the war and bring it to a quick conclusion. On the other hand Gen. Abrams is a close friend of Walter Rostow who is the man who actually directs the day to day handling of the war from the basement of the White House.

There can be no doubt that LBJ will use his all-Jewish military set-up to seek to appease the enemy and further delay final victory. LBJ desperately wants to make things look good for the public before the elections. We believe that LBJ will fail and his surrounding himself with Jewish military leaders and advisors will only worsen the present situation. We need the strong leadership of a devout Christian like Gen. Westmoreland. We cannot trust the fate of this war in the untested hands of the Jew, Gen. Abrams. The time has come for White Christians to take back the leadership of our own country. Our Washington leadership today looks like that in Tel-Aviv.

**WHEN WILL HCUA INVESTIGATE LAW-DEFYING, HATE-PROMOTING, VIOLENCE-INSTIGATING GROUPS SUCH AS NAACP, CORE, SNCC, ZOA, ET AL — ARMS OF THE COMMUNIST OCTOPUS IN USA**

As the spotlight beams heavier on the Ku Klux Klan, and the House Committee on Un-American Activities, one finds a complete absence of the tactics that plague every appearance of the House Committee on Un-American Activities—pickets, mock marches, open defiance. Where are the long lines of rabbis and gentlemen of the cloth protesting this invasion of Civil Rights? No page ads in metropolitan dailies by outraged Americans protesting this federal invasion of privacy.

For the moment, what was black becomes white; what was un-American yesterday is today American; what was unconstitutional is now constitutional! For now the HCUA is investigating not the **INTERNAL COMMUNIST CONSPIRACY** with its spy penetration in our own government, and its stated aim to BURY US, but is investigating an organization whose avowed purpose is to save Christianity and destroy communism.

Why not investigate the **ZIONIST ORGANIZATION OF AMERICA** (Foreign Agents for the illegitimate State of Israel?) whose members are in key positions in our government? This invisible government has furnished a vast amount of convicted traitors — its diabolical hand is corrupting our country from top to bottom. Let the

## IF I WERE THE DEVIL . . . .

By **PAUL HAEVEY**

If I were the Prince of Darkness I would want to engulf the whole earth in darkness. I'd have a third of its real estate and four-fifths of its population, but I would not be happy until I had seized the ripest apple on the tree. So I should set about, however necessary, to take over the United States.

I would begin with a campaign of whispers. With the wisdom of a serpent, I would whisper to you as I whispered to Eve: "Do as you please." TO THE YOUNG I would whisper, "The Bible is a myth." I would convince them that "man created God." Instead of the other way around; I'd whisper that, "what is bad is good and what is good is square."

In the ears of the young married I would whisper that work is debasing, that cocktail parties are good for you. I would caution them not to be "extreme" in religion, in patriotism, in moral conduct. And the old I would teach to pray to say after me — "Our father which art in Washington . . ."

Then I'd get organized. I'd educate authors in how to make lurid literature exciting so that anything else would appear dull, uninteresting.

I'd threaten TV with dirtier movies, and vice versa.

I'd infiltrate unions and urge more loafing, less work. Idle hands usually work for me.

I'd peddle narcotics to whom I could, I'd sell alcohol to ladies and gentlemen of distinction, I'd tranquilize the rest with pills.

If I were the Devil I would encourage schools to refine young intellects, but neglect to discipline emotions; let those run wild.

I'd designate an atheist to front for me before the Highest Courts and I'd get preachers to say "She's right." With flattery and promises of power I would get the courts to vote against God and in favor of pornography. Thus I would evict God from the courthouse, then the schoolhouse, then from the Houses of Congress.

Then in His own churches I'd substitute psychology for religion and delfy science. That way men would become smart enough to create super weapons but not wise enough to control them. If I were Satan I'd make the symbol of Easter an egg . . . And the symbol of Christmas a bottle.

If I were the Devil I'd take from those who have and give to those who want until I had killed the incentive of the ambitious. Then my police state would force everybody back to work. Then I could separate families, putting children in uniform, women in coal mines and objectors in slave-labor camps.

If I were Satan I'd just keep on doing what I'm doing."

## TREASON is TREASON

By **J. KESNER KAHN**

The announced disposal of the Hon. Robert McNamara who occupied the post of Sec. of Defense since 1961 has brought forth a rash of comments singularly lacking in references to what transpired while he ruled over our defensive establishments. For instance:

We cancelled the Skybolt plane-to-ground missile with which our bombers could hit enemy targets without exposing themselves to anti-aircraft fire. He cancelled the Pluto missile which could avoid anti-missile and anti-aircraft defenses, a weapon so powerful the Soviets are still trying to perfect their own version of it. He cancelled the mobile missile bases which could be safe from enemy attack. He cancelled the B-70 and stopped production on the B-47, B-52 and B-58 bombers. He grounded our Strategic Air Command's airborne alert. His TFX-F-111 ranks with the Edsel car as a success. He's wiped out our defensive and offensive capabilities in biological warfare. He put the nuclear powered Savannah in mothballs at costs above what it would cost to operate, while it is sorely needed to transport supplies to Vietnam. He has demoralized and disarrayed our National Guard and Reserve Forces. He has

**ROBERT STRANGE McNAMARA**

kept our forces in Vietnam under-supplied with ammunition and material and supplied failure-prone weapons. His wastefulness far exceeds his vaunted economies. His support of a Test Ban Treaty before we had equivalent experience to the Soviets left us with a weapons gap. His censorship of the speeches of officers smacks of the worst in dictatorships. He scrapped superior weapons like the Dyna-Soar Spacecraft, the Atlas Missile, the Coin-Lara aircraft so sorely needed now in Vietnam, the whole Anti-Ballistic Missile array, and substituted inferior weapons. His Typhon weapons proved too big for the Navy's ships and leave us still without adequate air defense for our Navy. He blocked the nuclear fleet program. He has maintained a pilot shortage by cutting down training programs below requirements. He has punished military officers for telling the truth and giving facts to our representatives in Congress. Even said: "It would be a social good," when commenting on the elimination of our "defense entirely."

It has all been so unbelievable, it will take Americans quite some time to be able to believe it; and that it has happened to them!

The history of contemporary misfortunes can be summed up to two things: LIES which mislead men and people, MURDERS through wars and revolutions which surge from misguidance.

WORLD AIM OF LIBERALISM—TO END NATIONHOOD

# LET'S SMASH "RIGHT-LEFT" RACKET

# THE COUNCIL ON FOREIGN RELATIONS

BY ROBERT ALDEN

In the United States there exists a power center called the Council on Foreign Relations (CFR) which is dedicated to bringing about a world government.

Many of the several hundred members of this (CFR), and those in league with them are parasitic financiers whose operations have no connection with private enterprise.

Mainly, these ruling CFR members are descendants of and successors to the "Robber Barons" of the last century.

Their influence has been felt in high circles of government since their fore-runner, Paul Warburg in 1908 came to America from Germany to enlist John D. Rockefeller and J.P. Morgan in a World Government plan.

The first step in this plan was the confiscation of the money and credit of the American people through the setting up of the Federal Reserve System in 1913. The First World War ensued shortly thereafter. Paul Warburg became the first chairman of the Federal Reserve Board and his brother in Germany became the Kaiser's Chief of Espionage.

Tracing the activities of the Warburgs you find them and their fellow conspirators in Wall Street financing training schools for revolutionaries in New York under Leon Trotsky and another in Berne, Switzerland under Lenin.

Since communism didn't exist it had to be manufactured in order to bring about their diabolical plans for world conquest. These two revolutionary armies were supplied with 20 million dollars, smuggled through Germany by Felix Warburg and on into Russia where they murdered the Czar and took over the government of Russia. The Overman Committee Report of the Senate in 1919 gives testimony of a top-ranking Methodist clergyman in Petrograd, the American Ambassador and a Y.M.C.A. official who stated under oath that the "revolutionaries" were Americans. A careful student of history, by setting down the legislation enacted in Washington can easily show how the infant Russian Communism was kept alive, grew and prospered from a series of U.S. financial transfusions and favorable legislation.

With a program of heavy taxation for defense and foreign aid which would ultimately bankrupt the nation and a push to centralize great power in the executive branch of the federal government, it would merely be a matter of time until the United States became in effect a communist country, and a candidate for World government. James Warburg years ago had stood before the Senate and said "You will have world government whether you want it

or not—if you don't get it by consent, you will get it by conquest." Those who had been instrumental in setting up the Federal Reserve System formed the Council on Foreign Relations in 1919 in New York with a grant from the Laura Spellman Rockefeller Foundation.

Communist agents move their way in and out of the activities of the Council on Foreign Relations, notorious of whom were Alger Hiss, Harry Dexter White, Lee Pasvolsky and Dalton Tumbo. They take their places along side

## A COURSE OF ACTION

To offset the influences of groups such as the Council on Foreign Relations, citizens should exert pressure on Congress to amend the Internal Revenue Code in such a way that no agency of the Executive branch of government has the power to grant federal tax-exemption; this power should reside in Congress as the Constitution states.

Additionally, voters should demand that the House of Representatives form a special committee to investigate the Council on Foreign Relations and its associated foundations and organizations.

such well known members as John Foster Dulles, Edward Stettinius, Harold Stassen and Nelson Rockefeller. Either knaves or fools, these men, along with Senator Tom Connolly, helped form the United Nations charter.

Sen. Connolly called Leo Pasvolsky "extremely capable and the one person we all turned to for explanation of details."

Records in the Library of Congress reveal that Mr. Pasvolsky did not explain that during the San Francisco Conference a "deal" was made between Molotov and Hiss that the head of the United Nations Military Staff would always be a communist and such has been the case to the present date.

To facilitate their movements and to entrench firmly and perpetuate themselves in all levels of government, the Council on Foreign Relations in its early days absorbed the Carnegie Foundation by placing CFR members on the Board of Trustees. The Rockefellers set up foundations of their own with Council members as trustees, and other Council members were establishing foundations (Guggenheim, Whitney Ford, etc.).

The money made available for Coun-

"Poles still believe that freedom is worth dying for."

Council on Foreign Relations members hold top positions in U.S. government. Left to right: Federal Reserve Board Chairman Wm. McChesney Martin; Secy of State Dean Rusk; Treasury Secy Henry Fowler; Commerce Secy Alexander Trowbridge; and Gardner Ackley, chairman of the President's Council of Economic Advisers. Ackley had just been named by Pres. Johnson as Amb. to Italy. (UPI) Telephoto

cil on Foreign Relations purposes through these foundations amounts to billions of dollars. Hundreds of millions of dollars have gone into colleges, most of which was earmarked for a specific purpose calculated to build up the New World Order, the subjects being the humanities, the social sciences, government according to CFR and Marxist brand economics.

The trained elite of the CFR who number in the thousands are the "bright young men" whose education was made possible by the parasites mostly with tax-free foundation money. These men are prepared for top level government positions and work from within our government to involve us in world affairs preparatory to bringing about world government.

The CFR sets up Presidential candidates on both Republican and Democratic tickets. Their superstructure is the Business Advisory Council (B.A.C.) in which the millionaires and billionaires of CFR segregate themselves from the impetuous intelligentsia while they determine matters of policy in the U.S. government.

David Rockefeller, president of the Chase Manhattan Bank, spoke to the Council on Foreign Relations April 27, 1967 in Chicago. His topic was "The Case for Foreign Aid." Who benefits from foreign aid? In international financial transactions funds are transferred through banks and purchases almost invariably involve a variety of short term and long term credits arranged for by banks, naturally for a fee. There are also Development corporations such as the one hiring David Lillenthal, a CFR member who gets handsome engineering and economic research fees from the country receiving the foreign aid. (This subject will be covered in more detail in future issues of the magazine.) Mr. Rockefeller in his speech to the CFR stressed the importance of a World Bank. This also will be covered in detail later.

Through the American Assembly, a foundation which is a spokesman for the CFR, the program of trading with Russia is being promoted. Sen. Charles Percy, a CFR member is on record as approving this policy. A major role of

the American Assembly is to undermine all 50 of the state constitutions through revisions purported only to be modernizations, but which are, in fact, political maneuvers resulting in taking away the rights of the people and investing the legislature and executive with more power. The 50 states stand as a barrier to the formation of a world government. In California this is underway with the 2nd third of the revision of the Constitution slated to come before the voters in November.

Members of the Council on Foreign Relations have a tight control over a number of the communications media. Those with the best known connections are David Sarnoff, NBC; Ed Paley, CBS; Arthur H. Sulzberger and Nelson Rockefeller, New York Times; Luce Publications; Cowles Publications; David Lawrence, U.S. News & World Report; Erwin Canham, Christian Science Monitor; Elmo Roper, George Gallup.

While we assume that no actual members of the Council on Foreign Relations were involved in the assassination, communists with whom they deal could have recognized a mutual gain from the assassination under circumstances calculated to discredit the "right wing."

It will attain world domination by mixing the races and the abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engels. All leaders of the Communist Party in America have been Jews. The Jewish Rosenbergs were electrocuted for giving Russia information during the Korean war. # INVISIBLE GOVERNMENT RUINED U.S.A.

## UNELECTED TRAITORS RULE NATION FROM BEHIND THE SCENES

Very few Americans really understand the system by which we have been ruled for the last 50 years. The old American Democracy is long since dead. We have been ruled by "Invisible Government" for a long time. This Invisible Government controls the mass media and has surrounded itself by such an impenetrable smoke screen that it cannot be seen. The fact that the Invisible Government must hide itself from the people is indicative of its character. It is so deeply sunk in villany and depravity that it dare not expose any real part of itself to the eyes of the people. The Invisible Government has brought this nation to the edge of destruction. The Invisible Government is not only corrupt; it is incompetent to the point of near-insanity. It represents fractured and defective states of human consciousness.

The Invisible Government controls both of the major political parties. For that matter, it also controls the Communist Party. Presidential and other elections are fixed and rigged. They offer neither a choice nor an echo. But the Invisible Government does not merely rule the political roost. It also rules our economic life, the press, radio, television, literature, and education. It rules the Right Wing no less than the Left Wing. Its basic purpose is to make really significant political controversy impossible, to control all factions, to manage and rule all sectors of the public by supplying glib leaders who will say what the people want to hear, and do what the Invisible Government wishes to have done.

Some people have said that COMMON SENSE is a "Right Wing" paper. WE ARE NOT A RIGHT WING PAPER. Fully half of the Right Wing leaders in this country, today are traitors. The only reason we ever fool around with the Right Wing at all is because it is the only thing we have. If you have an idiot child, you know that he does not amount to much; but since he is the only child you have, you make what you can of him. The American Right Wing has not won a significant political victory in thirty years. It is badly penetrated by traitors who DELIBERATELY LOSE political battles, who deliberately and wilfully lead millions of American patriots down to defeat and despair. This is the way "Right-Left" polarity works. Actually, the Right and the Left, like the Republican and Democratic parties, are both run by the same people. Of course there are a great many sincere patriots down in the ranks; but it is the precise purpose of these movements to deceive sincere people.

### What Are the earmarks Of the Right Wing Traitor?

The Right Wing traitor TALKS a good game of anti-Communism. He leads you on vast "Crusades." He stirs your enthusiasm much more skillfully than we can. THE TROUBLE IS, HE NEVER REALLY LEADS YOU TO ANY POINTED AND REALLY EFFECTIVE ACTION. His job is only to keep you busy and out of mischief. The Invisible Government knows that there are millions of patriots who would like to see the U.S.A. become a strong, proud, and patriotic nation again. This is no part of their plan, so YOU must be "channelized." To prevent the rise of real patriots, PHONEY patriots are shoved forward to do the work of the Invisible Government. These phoney "patriots" talk endlessly of a vast "Conspiracy" which, they imply, springs mysteriously from the "lower depths" of society, from among "the poor." THIS LIE IS THE INFALLIBLE MARK OF THE RIGHT WING TRAITOR. The fact is that Marxism is only ONE tool of the Conspiracy of Evil which holds us in thrall. The Conspiracy has many other evil tools which you will find out about as time goes along. MARXISM IS, AND ALWAYS HAS BEEN, A TOOL OF SUPER-CAPITALISTS INTENT UPON WORLD RULE. The man who lies about this, who talks of Marxism as a "proletarian" movement, is invariably either a fool or a scoundrel. The Russian and Chinese Revo-

lutions were made in America, and by the rich men of America. Their lying mass media said that these movements arose out of the "discontent of the poor and oppressed," but this is an utter lie, made entirely of whole cloth and nothing else. The evidence has been on the record for many years.

The Overman Report, made by a Committee of the United States Congress, established beyond shadow of doubt that the October Revolution in Russia was promoted by New York financial interests. The Communist Party is a party of the rich, not a party of the poor; but the Communist Party is only ONE of the parties controlled by the Invisible Government today. The Invisible Government controls ALL of the political parties, controls them utterly, controls them ruthlessly, controls them completely.

The last presidential election which the

of Hitler in Germany further thwarted the plan. Today the plans of the Conspiracy are DECADES behind schedule. Their failure to fix the U.S. Presidential Election of 1920 was a major factor in their failure. They have not made many such failures. They have manufactured the opinions of both the "Right" and the "Left" for fifty years. They have controlled all sides of all controversies. The few independent voices which try to be heard are drowned out by the vast chorus of phonies.

Fifty years of Invisible Government have made us a doomed and defeated nation. The Conspiracy thinks that it is going to rule the whole world by sheer intellectual power, or, in other words, by clever and highly-organized charlatanism. This charlatanism is called "behavioral science" by the corrupted academic minds of our kind, those utter nihilists

## Why Should Our Country Be Governed by Anti-Christian Zionists?

Cohen

Wilbur Cohen ★ Sec. of Health, Education and Welfare, one of America's most powerful Jews, seeks "Guaranteed minimum income to all." Abe Fortas ★ Supreme Court Justice, notorious Marxist, wrote to convicted Soviet spy Harry Dexter White: "I am delighted the President nominated you to be Asst. Sec. of Treasury..." Sidney Weinberg ★ head of Invisible Government, replaced Bureaucracy. Referring to Korean War role, stated:

"We were running the Defense Mobilization during the Korean War. We had the economy of the country in our hands." Jerome Weisner ★ heads National Planning Association. He and Harold Isaacs are most powerful in the White House. Walt Rostow ★ top State Department planner, wrote the Test Ban Treaty and Disarmament document No. 7277, seeks "an end to nationhood as it has been historically defined."

Conspiracy failed to fix was the election of 1920. Cox and Roosevelt were supposed to be elected, but Harding was elected instead. It cannot be said that we elected an especially distinguished man that year. We elected a meathand, but we elected a meathand who was against the Conspiracy. This fouled up the whole plan which the Conspiracy had laid for the 1920's, and delayed their plans for many years. The Conspiracy planned to deliver all of Europe to Communism in the 1920's. This was to have been done by having the Red Army invade Europe, which then was prostrate from the First World War. The United States was to be brought into the League of Nations and harnessed to the project. The Red Army at that time was under the command of Leon Trotsky. Trotsky was not a Russian. He was a Jew from New York, a former employee of the New York Times. He was also a tool of the Conspiracy, a tool of the New York financial interests, who are the real masters of World Communism. Trotsky advocated a "super revolutionary" philosophy and wanted to "expend" Russia in a massive invasion of Western Europe, which would spread Communism all the way to the Atlantic shores of France. The classic battle between Stalin and Trotsky was over this issue. Stalin did not believe in "expending" Russia for any purpose, least of all this one. Harding thwarted the plan in America by opposing the League of Nations. The rise

who have abandoned living culture in favor of dead intellectual mechanism; those utter academic prostitutes who have sold out the cultural life of mankind to the Invisible Government. These people say, "Technology has advanced to the point where The Fit can control The Unfit." In this picture, WHO are "The Fit" and who are "The Unfit"? YOU, sucker, are considered to be "Unfit" because you are naive enough to believe, in good faith, in such fraudulent intellectual gambits as "Right-Left Polarity." The braying jackasses of the Right Wing are paraded before you and bray, their fraudulent and traitorous song; then the braying jackasses of the Left are paraded and do likewise. It never occurs THAT ALL OF THESE BRAYING JACKASSES EAT OUT OF THE SAME FEED TROUGH.

Into this dim cesspool of unreality, some unwelcome rays of the harsh light of reality are beginning to shine. The fact is that ideology is no longer a really important factor in world history today. The Conspiracy depends upon ideology absolutely; it controls ideology absolutely. But ideology no longer controls the world, and the efforts of the Conspiracy to control the world through ideology will fail.

### What Force Really Controls The World Today?

The world today is being controlled by the DYNAMICS OF ARMED FORCE. This is nothing new. The world has been controlled by the dynamics of armed force for six thousand years of recorded history. We have not the space to discuss this subject in detail here. If you want to know about it, we recommend Clausewitz's "Vom Krieg" as the best available discussion of the subject. Today the Invisible Government spreads the propaganda of "peace." It says that it is going to change the realities of six thousand years of human history; no longer will the world be governed by force of arms. It is the Jewish intellect which is to rule in the future. THIS PEACE PROPAGANDA IS THE BIGGEST LIE EVER TOLD. This smiling, cheerful voice promising "peace" is the anti-Christ, the

harbinger of doom, the vultures gathering in anticipation of World War III. This is the force which seeks the final extermination of the human race, which would make planet Earth an uninhabited planet, spinning dead around the Sun. Ernst Juenger says in his book "The Peace:" "This is the prospect which nihilism has to offer, the great triumph of death after which it yearns." The aim of nihilism, which is Satanic in its concept but which masks itself in pleasant lies, is to DESTROY ALL LIFE.

This is the real issue of our times: SHALL THE HUMAN RACE CONTINUE OR NOT? This issue will be decided IN BATTLE, and not in some other way. It will be decided by warriors, not by peace quacks. It will be decided, not by mediocre Right Wing political hacks who are concerned only about their bank accounts, but by those with the high courage and inspiration to light the hope of Humankind and storm and destroy the fortresses of Hellhood from which the evils of our times arise. The liquidation of the anti-Christ of our times will be a business for fighters.

The Conspiracy which aims to rule us by Invisible Government will fail on a point of military techniques. It is not competent to command Armed Forces, including its own. It depends primarily upon intellectual fraud rather than armed force to promulgate its rule in the world. Its basic military concepts are defective and unreal. In a specific way, the establishment in New York will fail to control the Soviet Armed Forces. Let us examine the consequences of this failure from the standpoint of military techniques. Here, we are taking no consideration of Marxism. WE ARE CONSIDERING ONLY THE PRIMACY OF ARMED FORCE. The Red Army, at one time, was commanded from New York. The financial interests which backed the Russian Revolution picked Leon Trotsky up from the gutter, where he really belonged, and made him commander-in-chief of the Red Army. They did this solely for the purpose of having control of him: IN OTHER WORDS, SO THAT COMMAND OF THE RED ARMY IN RUSSIA COULD BE EXERCISED FROM NEW YORK.

Let us cut this discussion short and get quickly to the real essence of the matter.

### Let Us Consider These Factors:

1—The real headquarters of Communism are in New York. This is contrary to popular propaganda promoted in the mass media, but it's so well established by competent evidence that we believe it requires little further discussion. NOW, WE PROPOSE THIS QUESTION: "Can the Jews of New York maintain their command over the distant Soviet Armed Forces?" Mind you, the life of the United States may hang on this question. If the Jews lose control of the Soviet Armed Forces, then these forces may attack the United States. This would be a kind of "mutiny" by the Communist forces in Russia against the headquarters of Communism in New York.

2—Would YOU like to be the Jew, sitting in New York in a \$600 armchair behind a \$3000 desk, trying to exercise command over Soviet marshals in Russia? Remember, the Soviet marshals are of a different race; moreover, they are people with a strong anti-Semitic history, and you are a Jew. Is this a sound command proposition? CAN THE JEWS REALLY DO IT? They are betting the life of YOUR COUNTRY that they can do it. WHAT DO YOU THINK?

I will tell you what I think. I think the Jews will FAIL, and that New York will be blown over the moon with 100 - megaton bombs. That is unless the American people come to their senses and put a real national-patriotic government into power in this country, a government which will arrange our national defense on a really sound basis.

That is what I think. I do not claim to be infallible. We especially invite the comments of military officers on this matter. Your letters to us will be held in strict confidence. We really and eagerly want your opinions. Your professional opinions will have an important bearing on our future editorial policies.

We are not interested in Right-Left pseudo-controversy. We want to see America face reality. You will either face the realities of these times, or else you will be, as the judges say when pronouncing a death sentence, DEAD, DEAD, DEAD!

# Stand up for America!

It's your country, your family,  
your safety. Help protect them!

Under our present leadership, America is on a collision course with disaster. The "establishment" in this country — the press and the mass media, the intellectuals, the tax-exempt foundations, the entrenched money power of the great financial interests — all these forces are bent on a course which threatens to bring about the suicide of Western Culture and the destruction of the white race.

Despite the forces that are arrayed against us, America can and will be saved. The mass of the people knows that what is happening in this country is wrong, yet they are uncertain about the causes of our present crisis or its cures. The true facts must be given to the people.

*Black Rebellion* can be a key weapon in the fight to turn this country around. *Black Rebellion* belongs in the home of every thinking American. Give it to relatives and friends, to church groups, civic groups, unions, and clubs. This message must be gotten to the people.

April 11, 1960

To the Honorable  
Statesmen, Diplomats and Makers  
of American Domestic and Foreign Policy  
Washington, D.C.

P E T I T I O N

In a few weeks, in Paris, there will be held the so-called Summit Conference. The leaders of Great Nations will meet. The reason for the Conference is, naturally, to talk over Peace terms especially the elimination of fear for the new methods of warfare which may arise in a modern war situation.

At the conference both sides will speak of Peace but words are also a means and an effort of bringing about a realization of the fact. President Eisenhower, for instance, a leader of the Western Nation with true apostolic and missionary zeal will speak in favor of a Just Peace based upon friendship, justice, freedom and respect of Human Rights. - Khrushchev on the other hand thinks only of Peace in the terms of possessing the world, thus making it impossible to hinder any communistic activities.

"Khrushchev's Peace" is the enslavement of millions of people through communistic oppression, it's the desire to possess the entire world.

There is then no reason for useless optimism.

=====

Secondly: Not long ago, an average American thought that all American problems may be solved through the help of money and technique, since with money and modern technique we won the War !? - That is true ! - But what is worse, we lost the Peace !

Therefore it is evident, that Peace cannot be bought! Neither with gold nor the enslavement and captivity of Nations. Peace is based on moral laws, justice, trust - worthiness and respect. The moral laws are as realistic and unchangeable as the laws of Physics and Economy and without true moral aspects we can build only moral and political chaos.

=====

Looking at the forty years of the history of Communism, at its conquests and robbery, at its murderous and bloody march, not heeding any laws of God and morality and taking under consideration the false communistic philosophy, we must sound the alarm and call upon the conscience of the Leaders of the United States to change their tactics and politics because the false communistic philosophy must be fought with a philosophy based

on moral assets. Therefore all agreements made with the communists must come to an end and their false promises must be ignored. Conferences with Bloody Khrushchev, must stop. Murder and communistic tyranny will remain forever a murder and an enslavement, an outrage against moral laws.

Communism based on material and marxist ideas for forty years has not changed or altered its ideas, seldom does it change its strategy but very easily and according to need and necessity, it changes its tactics. This the reason for the latest travels, visits and revisits of Khrushchev. That is the reason for calling of the Summit Conference, for behind all this under cover in the political policy of Khrushchev namely to deaden the opinion of the world in regard to their communistic oppression.

=====

Therefore in writing this petition to the Leaders of the United States, guiding myself not only with a feeling of loyalty to my Native Land, and with a fear of the future of Poland, but also taking under consideration the fate of the entire world, I plead with You Leaders of the Nation.

America in protecting and defending the freedom of the Enslaved Nations is protecting and safeguarding at the same time its own freedom and happiness as well as that of the whole world. - We call today for an alarm; for tomorrow may be too late. We must put an end to communistic action and to its leader Khrushchev ! We must destroy the diabolical plans of this Red Nero and this Bloody Butcher of Budapest.

It must be done today - for tomorrow may be too late !

=====

Beside the danger of communism, there arises in the world today another reviving power, Germany, which destroyed and now again rebuilt by America, begins to voice its opinion and perhaps tomorrow in unity with communism may endanger the peace of the world.

The Germans with specialized officers falsify facts and they take every opportunity to portray the American way of thinking and outlook for their own benefit.

The result; that along with the communistic danger there appears another, that of Germany.

Against these two dangers we must arouse public opinion and make realistic plans for a World Peace.

=====

The fate of the enslaved Nations is a stepping stone and a key to Peace in Europe and in the entire world. The matter of Freedom For Poland is precisely linked with the problem of Peace. If today I permit myself to petition the Leaders of the West, I do it out of duty and love for my Country and those to whom I am indebted namely those who still remain on the fighting front and to those who work in the underground.

I am informed that the most tragic decisions about Poland in the last years were made without the consent of the Polish People and outside of Poland... "Therefore let decisions of hope and Peace come and arise today in the West... Let the voice of the Polish People reach the conscience of the American Leaders through the efforts of our friend Jozef Mlot-Mroz..." This is the plea I receive from my friends: " We know of Your protests through hunger strikes and if you are able and strong enough

to perform another such a hunger strike to protest against inhuman treatment, Poland once again pleads for it... Poland with hopeful eyes looks toward America and pleads for help."

This appeal had been made by the leaders of the Polish Fighting Nation, therefore their plan I will certainly realize and as my strength permits, I will carry out !

=====

This the reason of my new decision: a protest and hunger march to Washington, which a month before the Summit Conference in Paris I will put into action. April 17 - Easter Sunday, on foot I leave from Boston to Washington which I hope to reach within a span of two weeks. Then in Washington for a number of days preceding the Summit Conference, I will continue my hunger strike calling forth in this manner for Freedom of Poland and the other Enslaved Nations, protesting against any negotiations with Communism and with its Bloody leader Khrushchev.

My decision is the result of my great Love for my Mother Country, Poland, my loyalty to American Happiness which my brethren in Poland do not possess. - My decision is also a command of underground benefiting from the welfare and happiness of America. I take this step to remind the West of the Polish Right to Freedom and to arouse Americans to the near and grave danger of Communism.

=====

West Awaken ! Today's S.O.S. of Poland and the Enslaved Nations is a warning for You today and tomorrow ! West, Awaken today ! Tomorrow may be too late !

With respect,

# Reds' Foe Walking to Capital

By CALEF M. BURBANK

A former Polish freedom fighter stopped in Providence this noon to pause in his lone-some march from Boston to Washington, D. C., and confessed his legs were a "little rubbery."

Besides that, he conceded, the plywood placard he is carrying, pleading for freedom for Communist-captive countries, acts as a bit of a sail and makes the march more difficult.

But Jozef Mlot-Mroz, 39, a shoe worker from Salem, Mass., was not the least bit daunted. He hopes to make Washington in about two weeks, averaging 35 miles a day, by following Route 1 all the way.

Once he reaches Washing-

ton, he proposes to go on a hunger strike, demonstrating his cause for a free Poland and protesting any Summit Conference negotiations with communism and Premier Nikita Khrushchev of Russia in particular.

The smiling, determined worker, who spent 15 months in a concentration camp in Poland before fleeing to America seven years ago, left Boston at 12:20 p.m. yesterday. He said his arduous mission had been brightened when Richard Cardinal Cushing of Boston gave him his blessing before he started out.

It took Jozef 12½ hours to reach Providence, trudging along without topcoat or raincoat, and refusing rides

offered by motorists. He slept one night in a motel.

His time was no record, but it must be borne in mind that his placard was of little help to him. Jozef had drilled holes in it to cut down wind resistance, but the result was negligible.

The Providence-Boston route was covered on foot in April, 1957, by Archie Peretzian, a 35-year-old Smith Hill letter carrier. He made it in 11 hours. The best time of Eleanor Sears, famed Boston pedestrian, was nine hours and 53 minutes, and the record, believed set by Allen Burroughs of the Boston A.A.

in 1932, is six hours and 23 minutes.

But Jozef, who is president of the Anti-Communist Confederation of Polish Freedom Fighters in U.S.A., is not out to break any records.

His ordinary shoes were bothering him a little as he stopped in Providence. He carries no spare shoes, but plans to pick up a pair from a friend in Stratford, Conn., and another pair in New Jersey. He will sleep at motels, or at the homes of compatriots, as he plods good-humoredly along to the capital.

For all of his good humor, the former Polish freedom fighter is in deadly earnest. He is unmarried, but he has a mother and father in Poland.

Both his father and a brother have been denied the right to work because of the family's fierce belief in freedom for Poland, he said.

"My decision is the result of my great love for my mother country," he said, "and my loyalty to American happiness which my brothers in Poland do not possess." He said his march is the result of a decision by the Polish underground to arouse Americans to the grave dangers of communism.

The President and Congress must be made to realize that "coexistence between Russia and the free world is a fallacy," he said.

And he stepped off up Sabin Street with a wave of the hand, with his placard held firmly on high.

## Anti-Red Banner Flown From Capital Monument

### Polish Freedom Fighter From Lowell Is Quickly Arrested After Spectacular Feat

WASHINGTON (AP)—Josef Mlot-Mroz hid in the Washington Monument until it was closed last night, broke open a locked window at the top and unfurled a 150-foot long black streamer protesting against communism.

Then Mlot-Mroz locked the window with a cheaper lock he had brought with him. A couple of minutes later, he was arrested by Pvt. W. R. Clift of the capital park police. The banner was removed after flying only a few minutes.

Mlot-Mroz, a 39-year-old leather worker from Salem, Mass., is a former Polish free-

dom fighter. He came to town about two weeks ago to picket the White House in his protest against communism.

When arrested, Mlot-Mroz had in his possession a hasp, hack-saw and blade, a piece of copper wire, a razor and a three-page petition about the summit conference in Paris.

Mlot-Mroz told police he is the president of an organization called the "Anti-Communist Confederation of Polish Freedom Fighters of the U. S. A."

Today he must face charges of destroying U. S. property and a violation of the nuisance code.

ReWFOairtel 4/14/60, with enclosed letterhead memorandum.

The "Washington Daily News" newspaper, dated 5/3/60, contained an article captioned "Hiker Arrives to Walk," which indicated that JOZEF MLOT-MROZ arrived at the White House the previous day, after walking from Boston, Massachusetts. He carried a sign reading "Stop Communism Today - It May Be Too Late Tomorrow," and indicated that he would picket for two weeks to protest the summit conference.

Articles in the "Evening Star" and the "Washington Post and Times Herald" newspapers on 5/16 and 17/60, indicate that JOZEF MLOT-MROZ was arrested about 9:15 p.m., on the evening of 5/15/60, after he cut off a lock on a north window of the Washington Monument and unfurled a 110' streamer of black cloth. He had apparently hidden on the steps within the monument when it was closed that day. The articles indicate that Judge JOHN LEWIS SMITH, JR., after consultation with an Assistant U.S. Attorney and the subject's court appointed attorney, agreed to a government recommendation to drop the charges of destroying Government property and creating a nuisance which had been placed against MLOT-MROZ, on the grounds that he is an alien and might get into trouble with the immigration authorities if the charge stood. MLOT-MROZ reportedly told police he wanted to hang the flag from the monument in protest against "President EISENHOWER shaking the bloody hand of KHRUSHCHEV."

DECLASSIFIED BY 60324aucbaw/rs/rds  
ON 10-15-2007

WASHINGTON 25, D. C.

June 30, 1960

JOZEF MIOT-MROZ

On June 30, 1960, at 9:31 a.m., Special Agents of the Federal Bureau of Investigation observed an unknown individual described as 5' 9" tall, 160 pounds, black hair, wearing a small mustache and dressed in a black suit, black and white shoes and white shirt, arriving at the Soviet Embassy, 1125 16th Street, N. W., Washington, D. C., on foot. This individual was observed carrying a picket sign approximately 18" X 36", one side of which contained a printed statement in red letters, "Stop Communism today it maybe too late tomorrow," and the other side of this sign bore the message, "Demand freedom for Poland and captive nations."

Special Agents of the Federal Bureau of Investigation observed that another unidentified individual arrived at the Soviet Embassy at approximately the same time as the above-described person. This second individual was observed taking photographs of this individual as he picketed the Soviet Embassy. It was noted that this individual was picketing directly in front and on the property of the Soviet Embassy. This individual was observed passing out pamphlets to persons walking in the vicinity of the Embassy in addition to picketing.

Special Agents of the Federal Bureau of Investigation observed that shortly after the picketer's arrival [redacted] began washing down the Embassy drive and sidewalk by hose and while in the process was observed to purposely wet the picketer.

Shortly before 10:00 a.m., the picketer was observed to be approached by two officers of the Metropolitan Police Department (MPD), who engaged him in conversation. Shortly thereafter the picketer left the property of the Soviet Embassy, walked south on 16th Street, N. W., and

resumed his picketing near the intersection of 16th and K Streets, N. W.

A Special Agent of the Federal Bureau of Investigation obtained a three page printed pamphlet which this picketer was distributing to passers-by. This pamphlet is dated June 26, 1960, and it is addressed to the House of Representatives and Senate of the United States, Washington 25, D. C. This pamphlet is identified as the upper left-hand corner as being issued by the Z. P. W. P., Inc., Anti-Communist Confederation of Polish Freedom Fighters, which organization's address is listed as 18 Boardman Street, Salem, Massachusetts.

This pamphlet bears the additional caption, "Reminder and Warning." The pamphlet points out that four years ago on June 28, 1956, the world was horrified at the news that the City of Poznan, Poland, had suffered death and torture at the hands of the Soviets. The pamphlet points out that the news of this incident spread over the entire world and that citizens of Poland, demanding bread and freedom in the streets of Poznan had received in answer a salvo from communist weapons.

The pamphlet points out that the world has need of being reminded of the Poznan incident and of the memory of the heroic citizens of Poznan on this the fourth anniversary of the uprising. It also points out that the blood shed on that occasion offers proof that Poland will never permit herself to become communistic and is enduring courageously under the enslavement of the Soviet Union.

The pamphlet, therefore, calls to the conscience of the leaders of America to break off all negotiations and talks of co-existence with the communists. The pamphlet further calls for existence of friendship between Poland and the United States, friendship among all nations, and world peace.

This pamphlet identified Josef Wlot-Kroz as [redacted] of the Anti-Communist Confederation of Polish Freedom Fighters.

According to an article in the "Washington Post and Times Herald" newspaper dated 7/1/60, the subject picketed the Soviet Embassy in Washington, D. C. on 6/30/60. According to this article, the subject, carrying a placard reading "Stop Communism Today-It May Be Too Late Tomorrow", picketed in front of the Soviet Embassy a few minutes where he was sprayed with water from a garden hose wielded by a Soviet Embassy employee as he walked in the Embassy driveway. Police arrived at about 10:00 a.m. and informed him it was against the law to demonstrate within five hundred feet of an Embassy. He thereafter changed his clothes and picketed outside the Statler Hotel without further incident.

# Salem Man Defies Police Ban Polish Picket Beaten At N.Y. Anti-K Rally

A 39-year-old Polish freedom fighter from Salem was beaten into submission, arrested, and hospitalized in New York last night when he defied a police order to discard the metal bar supporting his anti-Communist sign.

Jozef Mlot-Mroz, leader of the Anti-Communist Federation of Polish Freedom Fighters in the U.S.A., was described by a spokesman at Bellevue Hospital as "very badly beaten."

He was the first serious casualty of the anti-Communist demonstrations in New York where several top Red dictators are attending a special session of the United Nations.

Mlot-Mroz, who lives at 18 Boardman st., Salem, was one of 100 pickets demonstrating behind police barricades a block from the Soviet United Nations headquarters where Premier Khrushchev is staying.

He carried a sign reading "Khrushchev Is A Murderer—Down With Communism" attached to a metal bar. Sticks of any kind have been banned on placards by police.

When the concentration camp refugee was ordered to get rid of the bar, according to police, he refused and a fight broke out. Several officers joined in the free-for-all.

Mounted officers moved in to contain the crowd.

After being overpowered, Mlot-Mroz, a veteran of several anti-Communist demonstrations, was charged with felonious assault, questioned, and taken to Grand Central Hospital for first aid.

A short while later, he was transferred to Bellevue Hospital for treatment and placed under police guard.

Mlot-Mroz went to New York to meet with 50 anti-Communist leaders of European nations and organize demonstrations against the U.S. visit of the Red leaders.

## Staged Hunger Strike

In September, 1959, he staged a 10-day hunger strike in front of the White House to protest Khrushchev's visit to the United States. He ended the strike after dropping 27 pounds.

In May of this year he hid inside the Washington Monument after closing hours and unfurled a 150-foot long black streamer in a one-man anti-Communist demonstration. He was arrested but later released by a Washington court.

Last July he picketed the Russian Embassy in Washington while a Soviet groundsman tried to get rid of him by turning a garden hose on the Salem leather worker.

JOZEF MLOT-MROZ

On June 30, 1961, a Special Agent of the Federal Bureau of Investigation (SA of the FBI) observed Jozef Mlot-Mroz approach the front of the Embassy of the Union of Soviet Socialist Republics (USSR), 1125 16th Street, N.W., at 9:10 a.m. He was carrying a long chain, one end of which he attached to the ornamental ironworks on the right side of the steps leading to the front door of the Embassy. He attached the other end of the chain to one of his legs. He thereafter walked slowly back and forth carrying a picket sign that read as follows:

"DEMAND FREEDOM FOR POLAND - FOR CAPTIVE NATIONS  
AND STOP COMMUNISM NOW -  
POLISH FREEDOM FIGHTERS, INC."

On the reverse side of the sign appeared the following:

"FREEDOM IS A CAUSE...LIVE FOR...WORK FOR...

Subsequently on June 30, 1961, [redacted] Third Precinct, Metropolitan Police Department, advised an SA of the FBI that the above described picket had identified himself to police officers as Jozef Mlot-Mroz, 18 Boardman Street, Salem, Massachusetts. He advised that he is the President of the Anti-Communist Confederation of Polish Freedom Fighter, United States of America. He was placed under arrest by the Police Department as a result of his demonstration.

# Liberals Hit In Rightwing Hub Hassle

By **BRUCE McCABE, BOB COURT**  
and **GORDON HILLMAN**

Extra police were ordered into Park sq. Sunday after one man had been arrested, a Communist flag had been set afire and scuffles had developed between pickets and right-wingers outside the Statler-Hilton Hotel where less than 500 at a controversial "New England for God and Country Rally" applauded a speaker's attacks on labor, the press, the church and the National Association for the Advancement of Colored People.

Arrested outside the hotel on a charge of disturbing the peace was Josef Mlot Mroz, 41, of 18 Boardman st., Salem, who identified himself as president of the Anti-Communist Confederation of Polish Freedom Fighters.

## HAULS LIBERTY BELL

Police said that Mroz arrived in the square in a Cadillac, hauling a trailer with a Liberty Bell on it.

They said he broke into the picket line of 75 men and women, and tried to burn a red flag on the pavement. There were several scuffles before he was arrested and taken to Station 16.

Ten extra police reinforced the police guard already flung around the hotel.

The pickets, from the NAACP, NAACP Youth Council, Americans Veterans Committee, Congress on Racial Equality, Greater Boston Ministerial Alliance, Unitarian-Universalist Fellowship for Social Justice and the State AFL-CIO paraded slowly around the hotel as small groups of right-wingers slipped into the hotel through various entrances.

## LITERATURE TO SELL

Also in the square was a small truck from the "American Opinion Library" of Syracuse, N. Y., which was set up to sell its proprietor, John Zimmerman, said was "conservative literature."

Police told him he couldn't sell books on the street so he took his mobile library away.

Inside the hotel's main ballroom, a crowd estimated at noontime at less than 500 heard Dr. Billy James Hargis of Oklahoma, head of the "Christian Crusade," express his strong feelings about the pickets outside.

## LASHES PICKETS

He castigated them as went on to say, "In this city, Cradle of Liberty, ~~the~~

seeds of a vicious dictatorship? The liberal press, the liberal elements of labor and the liberal church are all attempting to stifle free speech.

"These pickets are the biggest bunch of hypocrites I've ever seen."

He also paid his compliments to the Boston press, characterizing them as "you men of the liberal press and I wouldn't call you gentlemen."

Speaking before the background of a huge American flag, he denounced Rev. Martin Luther King as "a vicious

racial agitator" and charged that the NAACP doesn't represent Negroes.

"They are a political pressure group and espouse racial agitation," he declared.

Referring to the riots in Mississippi over the entrance of

Negro James Meredith to the University of Mississippi, he said, "Kennedy, Eisenhower any Truman negotiated 10 years over Berlin, why couldn't we negotiate for 10 days with Gov. Barnett of Mississippi over Meredith?"

On 6/29/63 at 10:20 a.m. a Special Agent of the FBI (identified in WFO file 100-16597 Sub B) observed an unknown white male carrying a large cardboard cross arrive at the entrance to the Soviet Embassy and begin walking up and down in front of the Embassy during carrying this cross. This cross was painted brown and was approximately twelve feet high with a six-foot crossbar on it. There was white lettering on both sides of the cross which read vertically "Our God--  
Saves Communism" and horizontally across the bar "Dury Khrushchev." It was noted the lettering appeared to be that of a professional paint job and was on both sides of the cross. A small American flag was attached to the horizontal bar.

This individual was described as follows: white male, 5'10", 145-170 pounds, approximately 40 years of age, dark hair and mustache, and was attired in a gray striped suit, white shirt with tie.

At 10:32 a.m. a MPD cruiser arrived at the Embassy and one of the officers was observed to talk to the man and escort him down the street to the vicinity of 16th and K Streets, N. W. The cruiser was observed shortly afterward to proceed north on 16th Street and the man was not further observed at the Embassy. It is noted that during the period he was demonstrating at the Embassy that no obvious press media were attracted by the incident.

A check with the Third Precinct of the MPD on 6/29/63 indicated that the officers who had responded to the Embassy call had not reported in and no name of man was obtained. On 7/1/63 a check with the Third Precinct, MPD, indicated that man had been identified as JOSEF MLOT-MROZ, 80 Beacon Street, Salem, Massachusetts. It was learned that he had been subsequently arrested on an outstanding warrant charge "threats on a warrant," and that he was in court on this day regarding this charge.

WFO files reflect that JOSEF MLOT-MROZ has been associated in the past with the Anti-Communist Confederation of Polish Freedom Fighters in the USA, Incorporated, of Salem, Massachusetts, and that MROZ has picketed the Embassy on a number of previous occasions which resulted in considerable publicity in the past. WFO contemplates no further action in this regard and the above is being furnished for the information of the Bureau.

Dear Sir,

It is, I'm sorry to state, the atmosphere of the present moments that compel me to send this information along to the Bureau. I hesitate somewhat because I feel that you most likely have information on the person I'm writing about although I honestly feel I should have written you long ago.

I have watched on television the presentation of newsel photos and impressions of the Texas man, L. Oswald, who is being held as the man who shot President Kennedy. And as I watched I felt as if I had known this man intimately (although I do not) thinking about it, I realized that I had seen a man acting almost exactly as this person Oswald - his intense looks, the constant public nuisance complaints about him and some publicity in the newspapers for him.

His name is MLOT MROZ, he lives in Salem Mass has curly black hair and usually sports a mustache.

I'm sorry I cannot give you his home address. I have no comprehensive knowledge about him but I do know that he has exhibited every facet of a dangerous person (very much like Oswald)

Although I have not seen this, I have heard from friends that he is, or at least had been, a frequent visitor to

[redacted] and I have heard the name "Polish Freedom Fighters" mentioned many times.

As I have stated, perhaps this that I am writing you is insignificant but the startling comparison between Oswald and this man MROZ forces me to write you about him as I feel that this person is entirely capable of performing some similar phenomenal action in the future. As a matter of fact it just struck me that I recall this past summer when President Kennedy was making a speech in Boston this same person (MROZ) created an incident in the

audience. The photos in the newspapers did not print his name below the picture comment. But I recognized his face as MRCZ. What he did, or tried to do, there was not clear to me after reading of the incident. If you should want this newspaper photo, I have it and you most certainly are welcome to it.

I am a worker, five days a week but if the Bureau in Boston feels the need of further information on this person I am entirely willing to act as you may wish in the gathering of further information on this person.

I have no intention of being maudlin or trite about this, but I sincerely have deep love for my country. I have never been in politics, therefore, I can (I think) truthfully say that my motivation here has been purely out of patriotic feeling.

I would like to add that I always have a very good feeling

4

Whenever I hear of, or see the words :  
"Federal Bureau" of Investigation" I  
feel good - security-wise - I feel good  
knowing we have decency in legalities  
and I feel good knowing that we  
have the selection of the elite in  
performing the duties of the "Bureau's"  
office. I this is not an attempt  
to "utter" your "up" - simply my  
honest feelings!

As I have stated previously I am  
entirely at your wishes in anything  
pertaining to the security of our  
country and its security at all.

Very truly yours,

[Redacted Signature]

P.S. - My sincerest sympathy to all of  
the members of the "Bureau" in the  
loss of President Kennedy.

 further advised that on May 30, 1964 at approximately 5:30 p.m., a lone male appeared in front of the WBZ-TV station on Soldiers Field Road carrying a placard with the following statement: "Station WBZ Wake Up. Get Rid of that Red Pole." This individual identified himself as Jozef Mlot-Mroz, 18 Boardman St., Salem, Massachusetts, a member of the "Anti-Communist Federation of Freedom." Mlot-Mroz after picketing the station for approximately two and one-half hours left at eight o'clock without causing an incident.

On June 1 and 2, 1964, Mlot-Mroz arrived in front of WBZ with three other men at 5:30 p.m. and began picketing the station. The picketing was conducted peacefully and no incidents or arrests took place.

[REDACTED]

On June 4, Mlot-Mroz and seven other individuals, six males and one female, picketed WBZ from 5:30 p.m. to approximately 8:00 p.m. No incidents or arrests took place.

On June 5, 1964, Mlot-Mroz and three other males arrived at WBZ to peacefully picket the station at approximately 5:30 p.m. and left at 8:00 p.m. During the picketing the following signs were observed:

"Wake Up WBZ"; "Why Do You Roll Out Red Carpet for a Communist" and "WBZ Why Do You Have a Communist Working For You."

b6  
b7C  
b7D

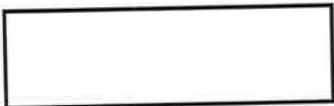

According to [REDACTED] no incidents of any kind occurred during the picketing. Mlot-Mroz indicated he would be back to continue his picketing, however, there has been no picketing of the station since June 5, 1964.

[REDACTED] further stated that [REDACTED] observed Mlot-Mroz picketing the station on May 30, 1964. [REDACTED]

[REDACTED] the Democratic process in America which allows anyone to express his thoughts as long as he does not interfere with the rights of other individuals. [REDACTED] that WBZ-TV personnel were to ignore Mlot-Mroz and other pickets and not to engage in any conversation with these people.

On June 17, 1964 the files of the Metropolitan District Commission (MDC) Police Station, 1420 Soldiers Field Road, were checked concerning the above described picketing at WBZ-TV. These files contained no pertinent descriptive data as to participants, other than the fact picketing had occurred without incident or arrest on the dates indicated above.

The files of the Metropolitan Police Department, Washington, D. C., were checked on May 5, 1964 concerning Jozef Mlot-Mroz. The files reflected that Mlot-Mroz is the President of the Anti-Communist Federation of Polish Freedom Fighters in the USA, Inc., 18 Boardman St., Salem, Massachusetts, and had picketed in front of the White House during the approximate hours of 10:00 a.m. and 11:00 a.m. on

  
May 2 and 3, 1964. He was accompanied by four men and one woman who were also members of the above organization. The files revealed that the above picketers passed out leaflets and carried placards such as "America - Better Brave than Slave", "Smash Communism - Bury Khrushchev", "It is Later Than you Think. Stop Communism", "Return God to Our Schools and Live As a Nation Under God", and "Our Goal - Smash Communism." The records reflected the above had been conducted without incident.

On June 18, 1964, sources familiar with some phases of Polish activity in the Greater Metropolitan Boston area, advised that Jozef Mlot-Mroz is known to them as an extremely Anti-communist individual who has on numerous occasions conducted personal campaigns against individuals and/or organizations he believes to be communist. He has on various occasions taken it upon himself, or has persuaded some of his friends to aid him in picketing these organizations and/or individuals at their places of business or where these organizations and/or individuals were sponsoring an affair. These sources further advised to their knowledge Mlot-Mroz and/or his friends do not represent any responsible Polish organization, and that he and his friends are simply conducting their own campaign against Communism. These sources said because of his eccentric behavior Mlot-Mroz has attracted considerable newspaper publicity and has been arrested for creating disturbances in Washington, D. C. and New York City.

DEAR AND ESTEEMED GENTLEMEN OF STATE :

The Anti-Communist Confederation of Polish Freedom Fighters in the U.S.A. Inc., appeal to the representatives of the governments affiliated with the United Nations. - We express our appeal in the form of an OPEN LETTER, directing into your hands an ardent plea for the hastening and elimination of an appeal on the part of the Soviets and their spokesmen in regard to taking away their rights of voting at United Nations assemblies.

Inasmuch as the United Nations charter has been altered and the rights of nations to freedom and independence have been violated by the actions of Soviet Russia. Inasmuch as the Soviets have changed an Imperial Russia into a land of slavery and in the same ruthless manner have also done the same to other nations which are behind the Iron Curtain. Inasmuch as the Soviets desire to colonialize the entire world with a bloody and ungodly communistic system, they forfeit their right to vote at United Nations Assemblies !

Since the Soviets for two years were not able to pay their debt to the United Nations, which they are duty-bound to do, as they promised at the time and since Soviet Russia is gaining benefits from the United Nations by weakening millions of people from other countries. And, further, since Soviets do not wish to co-operate with the United Nations, then, plainly speaking, all member-nations in the U.N. are duty-bound to remove Soviet Russia from the United Nations !!!

In a short while, new investigations will begin in the United Nations Building. And for the good of Peace and Freedom and in the name of our proud pledges which the U.N. should honor the first matter on the United Nations agenda should be this : THAT A RESOLUTION SHOULD BE MADE DEMANDING THAT THE SOVIET VOTE AND ITS RIGHT TO FREE SPEECH SHOULD BE DENIED IN THE ASSEMBLY. ACCORDING TO ARTICLE 19 WHICH CLEARLY STATES THAT A MEMBER NATION WHICH IS TWO YEARS IN ARREARS IN PAYMENTS TO THE WORLD ORGANIZATION "SHOULD HAVE NO VOTE" IN THE ASSEMBLY.

In the United Nations there should not be any place for murderers or bloody butchers from the Kremlin! Instead, there should be only such nations which are genuinely interested in creating real Peace movements. Only of such nations as love freedom, both their own and that of the other brother nations. Away then with bloody communism and Soviet colonialism ! Away with the murderers who are carbon copies of Khrushchev !!

May Peace reign again, and may we see Freedom and Independence once more all over the world !!!

CONFEDERATION OF POLISH FREEDOM FIGHTERS IN THE U.S.A., INC.

A Special Agent of the Federal Bureau of Investigation (FBI), observed the following on June 30, 1966:

At approximately 8:40 a.m. an unidentified man was observed approaching the vicinity of the Polish United Nations Mission (PUNM), 9 East 60th Street, New York City. This individual was carrying a large artists carrying case. Upon arrival in front of the Mission the man opened the case and took out a sign which read "Poles fought and died for freedom. why red slavery for Poland? Polish Freedom Fighters Inc." on the back of the sign was the following message, "demand freedom for Poland United Nations. Give Poland real liberty." This man had a pouch over his shoulder in which he had pamphlets which he was passing out to passers-by. On the pouch was the lettering "Bomb Handl."

# Goldberg Protested At Harvard

Special to The Washington Post

CAMBRIDGE, Mass., Feb.

13—More than 500 Harvard and Radcliffe students, shouting anti-war slogans, staged a one-hour demonstration in 10-degree weather today to protest the Vietnamese war and the way Ambassador Arthur J. Goldberg "evaded our questions" about it.

The U.N. Ambassador's open meeting here Sunday with the Harvard community for a discussion of Vietnam and other questions brought an editorial from the Harvard Crimson this morning saying, "Anyone who came to hear Arthur Goldberg yesterday expecting a genuine dialogue was disappointed. There was no . . . discussion or examination of the premises and arguments of the Administration."

Today's demonstration was planned earlier by Students for a Democratic Society, the major campus radical group. However, most of those demonstrating were members of moderate groups such as the Young Democrats and Young Republicans. They were irritated with what they regarded as Goldberg's unsatisfactory explanation of the U.S. position.

Three caskets draped in black bearing the signs "Self Determination," "The People of Vietnam," and "American Boys," borne by the leaders of SDS, led a campus march to Langdell Hall at the Harvard Law School. Goldberg, who was thought to be inside conducting a law school seminar, was actually at a luncheon in another part of the campus.

A moment of silence was observed "for those boys who are dying in Vietnam." Then the marchers paraded carrying their posters reading "Make Love Not War" and "End the War, Mr. Ambassador."

The demonstration for the most part was peaceful, except for a Polish Freedom Fighter who got into several scuffles after calling the students "Communist Dupes." Other students jeered the demonstrators, calling them "draft dodgers" and "dumb chicks."

Dear Mr. Handley:

I am writing to you with regard to Josef Mlot-Mroz, 18 Boardman Street, Salem, Massachusetts, whose anti-Semitic activities are well known to this organization. SA

Mlot-Mroz, who calls himself a Polish Freedom Fighter, has again come to our attention as a result of an activity in the area of the Ford Hall Forum on December 10, 1967. At that time the attached anti-Semitic material was distributed to individuals attending the Forum. The person making the distribution was not Mlot-Mroz but he is the source responsible for the publication of the attached material which contains numerous quotes from the fraudulent anti-Semitic publication "The Protocols of the Learned Elders of Zion."

This office has received numerous complaints regarding Mlot-Mroz in recent months. The attached is forwarded to you as a matter of interest to the FBI.

Sincerely,

Mr. J. Edgar Hoover  
Federal Bureau of Investigation  
Washington, D.C.

Dear Mr. Hoover:

Enclosed is a clipping from the front page of my morning paper. I ask you but two simple questions:

1. Does your office propose to investigate the violation of Mr. Joseph Mlot-Mroz's civil rights with equal vigor as you are investigating Dr. Kings?
2. Or do you propose to investigate Mr. Mlot-Mroz's stabbing at all?

I too had a vision of "justice and equality for all," but it is fading fast.

Yours truly,

## Mlot-Mroz' Condition 'Good' After Stabbing

Perennial demonstrator and self-styled "Polish Freedom Fighter" Josef Mlot-Mroz of Salem is reported recovering satisfactorily in City Hospital from a stab wound received in Roxbury Friday while demonstrating against the Poor People's March.

Mlot-Mroz's name was on the danger list Friday night but hospital officials listed his condition as "good." He was stabbed once in the chest.

The incident occurred about 11:15 a.m. outside the Blue Hill Christian Center, 288 Blue Hill av., when Mlot-Mroz scuffled with some of the persons boarding buses for the march.

Mlot-Mroz had been walking through the area where the marchers were assembling carrying a sign reading: "I Am Fighting Poverty. I Work. Have You Tried It? It Works."

After an affray, in which he was reportedly knocked to the ground, march leaders advised Mlot-Mroz to leave for his own safety. They attempted to escort him to a cab.

Witnesses said he refused a taxi and walked away down Blue Hill av. to drive back a few minutes later in a black Cadillac. About a block from where the buses were loading, a rock was thrown through one of the car windows.

Mlot-Mroz reportedly jumped from the car and headed in from the direction which the rock had come when he was attacked and stabbed.

"I'm stabbed. I'm stabbed, this is the first time they've ever done that to me," he said. Mlot-Mroz refused aid from a doctor at the scene and was taken away in an unmarked police car.

# Meet Mlot-Mroz, King of Protest

By DAVE BEATON

Jozef Mlot-Mroz is a man who has dedicated most of his life to demonstrating—either demonstrating for his own cause, or demonstrating against the demonstrators.

The avowed anti-Communist has been arrested, assaulted, assailed, attacked, insulted incarcerated institutionalized.

But yesterday for the first time, he was stabbed. In his words, "I'm stabbed. I'm stabbed. This is the first time they've ever done this to me."

Someone once said that no demonstration's a success unless Jozef Mlot-Mroz shows up to demonstrate against it.

Who is this man?

Jozef Mlot-Mroz is a handsome, mustachioed bachelor, 46 years old, who lives with an aunt and an uncle at 18 Boardman St., Salem.

He refers to himself as a "retired" leather worker, and for the past 20 years has been known as the "Polish Freedom Fighter."

He doesn't drink, he doesn't smoke, he's dabbled with a journalistic career, but most of all, he's obsessed with fighting Communism.

He says he was a second lieutenant in the Polish underground army and spent 21 months in a Communist concentration camp during World War II. He fled to West Germany, and eventually made his way to the United States, and he's been waging his war ever since.

He's demonstrated in Washington, he's demonstrated before the United Nations, he's at every demonstration in Boston.

In many demonstrations he has appeared with signs which have been called anti-Semitic, the wording often linking Jews with Communism.

Where does he get his money? That's a mystery, although most sources say he gets it through contributions from members of the Polish communities along the North Shore.

Mlot-Mroz claims he has spent about \$25,000 of his own money in his private little war, and can't estimate how much in contributions.

Among the highlights of his anti-career:

In 1959, he staged a 10-day hunger strike in front of the White House to protest the impending visit of Soviet Premier Khrushchev to the U.S. He gave it up after losing 27 pounds.

In 1960, he was severely beaten while protesting the appearance of several top Russian leaders at the United Nations.

In 1962, he was fined \$10 for ringing a bell outside the Sheraton Plaza Hotel while President Kennedy was staying there.

In 1963, he was arrested for burning a Soviet flag on Columbus Ave., not far from the Statler, where a "God and Country" rally was being held.

In 1964, he was picketing Pier 4 in East Boston, where

# Mlot-Mroz Says Goodbye to Picketing

By GORDON D. MAIL  
Special to the Globe

Political rallies in Boston just won't be the same any more.

Josef Mlot-Mroz, the "Polish freedom-fighter"—a fixture at Boston demonstrations for the last 16 years—has decided to hang up his picket signs.

Protesters and onlookers alike have come to expect that whatever the issue—the Vietnam war, public welfare controversies, urban renewal, black-white confrontations—the man up front was likely to be the small, energetic, square-shouldered house painter who likes to call himself an "anti-Communist Polish freedom fighter."

From 1953 to the present Mroz, who lives at 12 Boardman st., Salem, has carried his brightly printed signs a total of 386 times.

Apparently there will be no demonstration number 387. Appearing before a banquet audience of the Anti-Communist Confederation of Polish Freedom Fighters in the U.S.A., Inc., at St. Joseph's Hall in Salem last week, Mroz, biting his lower lip to keep his emotions in check, said: "This is my last speech, this is our last banquet, I promise you will never see me demonstrating in the streets again."

The audience of 387 applauded the surprise announcement, and when Mroz added that he plans to marry and raise a family, loud cheers mingled with the hand clapping. A number of people twisted about in their seats to catch a glimpse of Barbara Thompson, Mroz's fiancée of long standing. Mrs. Thompson of 56 Charnwood rd. in Medford was seated inconspicuously in the rear of the hall.

The most of the speech was both complaining and forgiving. He told that he understands why supporters won't join with him on a picket line, but repeatedly praised the audience for "having the courage to stand by him." Moments later he complained bitterly about the "persecution" he has suffered for being an "anti-Communist" and how difficult it is for a single picket to array himself against hundreds holding an opposite point of view.

He told of being mauled on a number of occasions, and of the 62 days in jail as a result of 6 convictions for disturbing the peace.

Mroz is not without skill in creating an impression that he carefully watches the news for announcements of pro-Communist demonstrations so as to prepare appropriate picket signs for a counter-demonstration, but in truth it has never really mattered to him what any group has been demonstrating for—or against. He was for example, arrested and convicted for disturbing the peace when the late President Kennedy spoke at Boston College in 1963.

From the very beginning in 1953 Mroz has viewed a political gathering or demonstration anywhere in greater Boston as an opportunity to parade up and down with an assortment of signs which have been for the most part, vulgar canards about Jews. Despite the title of President of the Polish Freedom Fighters, Mroz has never been anything but an anti-Semitic dis-

guised as an anti-Communist.

The speech last week-end pointed to at least one source of his strong bias against Jews. Heaping praise upon the late Conde McGinley, founder of the virulently anti-Semitic *Common Sense* newspaper published in Union, N.J., Mroz said, "I know some way to go too far but they said that the great patriot Conde McGinley went too far. He told me many years ago that it is the Jews we must fight, and now we know he was absolutely right."

Mroz announced he will continue to edit and publish a monthly bulletin to "get out the news suppressed by the daily press." One of the bulletins on display at the Salem meeting contained 24 pages of photographs and texts of alleged "traitors" in the United States including Christian Science Monitor

editor Erwin D. Canham, Boston Pilot editor Mgrs. Francis J. Lally, Judge Elijah Adlow, and Donald J. Trager, vice president of the Columbia Broadcasting System and general manager of Station WEEI.

There are obvious reasons why Mroz will not drop from sight all together. While the Anti-Communist Confederation of Polish Freedom Fighters in the U.S.A., Inc. is largely his own creation and more often than not a vehicle for his own brand of bigotry, it is also a faithful constituency numbering 1700 nationwide. Because Mroz has been its sole representative during street demonstrations, the news media has tended to blur the fact that regrettably, Mroz does represent a segment of the Polish-American community. His commitment to his following is genuine and deep.

A less tangible but more

significant reason for Mroz remaining active was summed up neatly by Anthony Hmura following the Salem banquet. Hmura, of 39½ Canterbury st. in Worcester, a vice president of the Polish Freedom Fighters commented, "I'll be very surprised if Joe doesn't get out in the streets again. I know how he feels. I tried to quit a number of times but there is something way deep inside you that brings you back again."

Mroz has more than most of whatever the "something" deep inside is. It has driven him to spend over \$34,000 of his own money along with an undisclosed amount from contributors who have found his activities "patriotic" during a 16 year span. Some of this money was spent on court battles but the bulk of it has been spent on the distribution of an estimated 1.5 million copies of anti-semitic bulletins and pamphlets and some of the most professional-looking picket signs found in any demonstration.

Barbara Thompson shares Anthony Hmura's feelings and hasn't yet started to collect a wedding trousseau. "I don't know about the others," Barbara advised, "but I've heard it all before. He knows there will be no marriage until he stays out of the streets for good, but I've been waiting seven years and he hasn't stopped yet."

(Continued from page 1) stated the ex-  
istence of the fact and the right  
for him to have been considered for  
the position. He would be well pro-  
vided for by his family. He said  
that he was not interested in the  
position and that he was not in the  
line of succession.

# Mlot-Mroz misses the picket line

DATE 10-15-2007 BY 60324aucbaw/rs/rds

**SALEM** — Josef Mlot-Mroz is a right wing fanatic who for years would show up at left wing demonstrations between here and Washington, D.C. wearing a red and white and blue uniform.

He would hoarsely scream insults, heavily laced with ethnic bigotry, and wave his anti-integration and anti-Jewish signs, and sometimes he would bump into people while carrying a huge white wooden cross.

Through the years, in the course of 387 demonstrations, Joe was stabbed and beaten and arrested.

He loved almost every minute of it.

He quit in December because he was getting married and his bride, the former Barbara Thompson of Medford, was concerned about his safety. She didn't rule out picketing, because Joe is the boss in the family and he gives the final orders. But she didn't like it, and besides Joe was getting sick of it all.

Now it is two months later, and Josef Mlot-Mroz keeps thinking of his picketing days, when he shouted insults at people and they spit back at him.

"I miss it," he said. "I really do."

Joe is 49 years old now and came to the United States in 1952. He was born in Poland, was a member of the Polish underground for years until fleeing to West Germany in 1949. In Poland, he had been arrested six times and spent 21 months in concentration camps.

He lives in a second floor apartment at 18 Boardman st., a lovely tree-lined residential street a block from historic Salem Common.

Joe is a self-employed house painter, but the Winter months are slow times, so he spends his days remodeling the apartment for him and his bride.

He is short and stocky with dark hair and small mustache, and he speaks with a heavily accented Polish accent. Joe answered the door the other day, and he was very friendly and holds out his hand. He smiles a lot.

Something didn't seem quiet normal, and then you realize that it is the first time you have ever seen Joseph Mlot-Mroz when he wasn't screaming "Communist Dupe!" "Dirty Reds!" and a lot worse.

Joe would arrive at demonstrations late, because he wanted the picketing to have already started. He would carefully park his car — for a while he drove a yellow Cadillac — a block or two away, because sometimes they would break the windows.

An anti-war demonstration at Fort Devens a few years ago was typical. Joe, in his red and white and blue uniform, complete with gleaming black boots,

rushed to the main gate where pickets were pacing back and forth.

He yelled and screamed and pulled out a Russian flag and after two or three false starts, he succeeded in burning it while some of the young Ayer townies, standing around and watching, started to cheer.

The anti-war demonstrators, some of them suburban housewives and college kids viewing Joe in action for the first time, asked each other "who is this guy?"

A few tried to engage Joe in what they called a dialogue, but Joe wasn't buying that. He kept shouting anti-Communists slogans and insults.

Communism isn't Joe's only target. He doesn't go for integration, believing it to be a Communist plot. Two years ago he showed up at Roxbury, carrying signs and all, and he was shouting and screaming. The police all knew Joe, and they told him to get the hell out before he got hurt.

After a while, he got into his car, and somebody never apprehended, opened the door and stabbed him. Joe went to the hospital. Three weeks later he was back on the picket line screaming, as usual, "Dirty Reds!"

Those days seem a long time ago to Joe. But he likes to talk about them and he likes to talk about his hero, the late Sen. Joe McCarthy, whom he met twice. "Just shook hands, that's all," he says.

During his last demonstration at MIT in December, Joe was dragged along the ground and his uniform was mud-soaked.

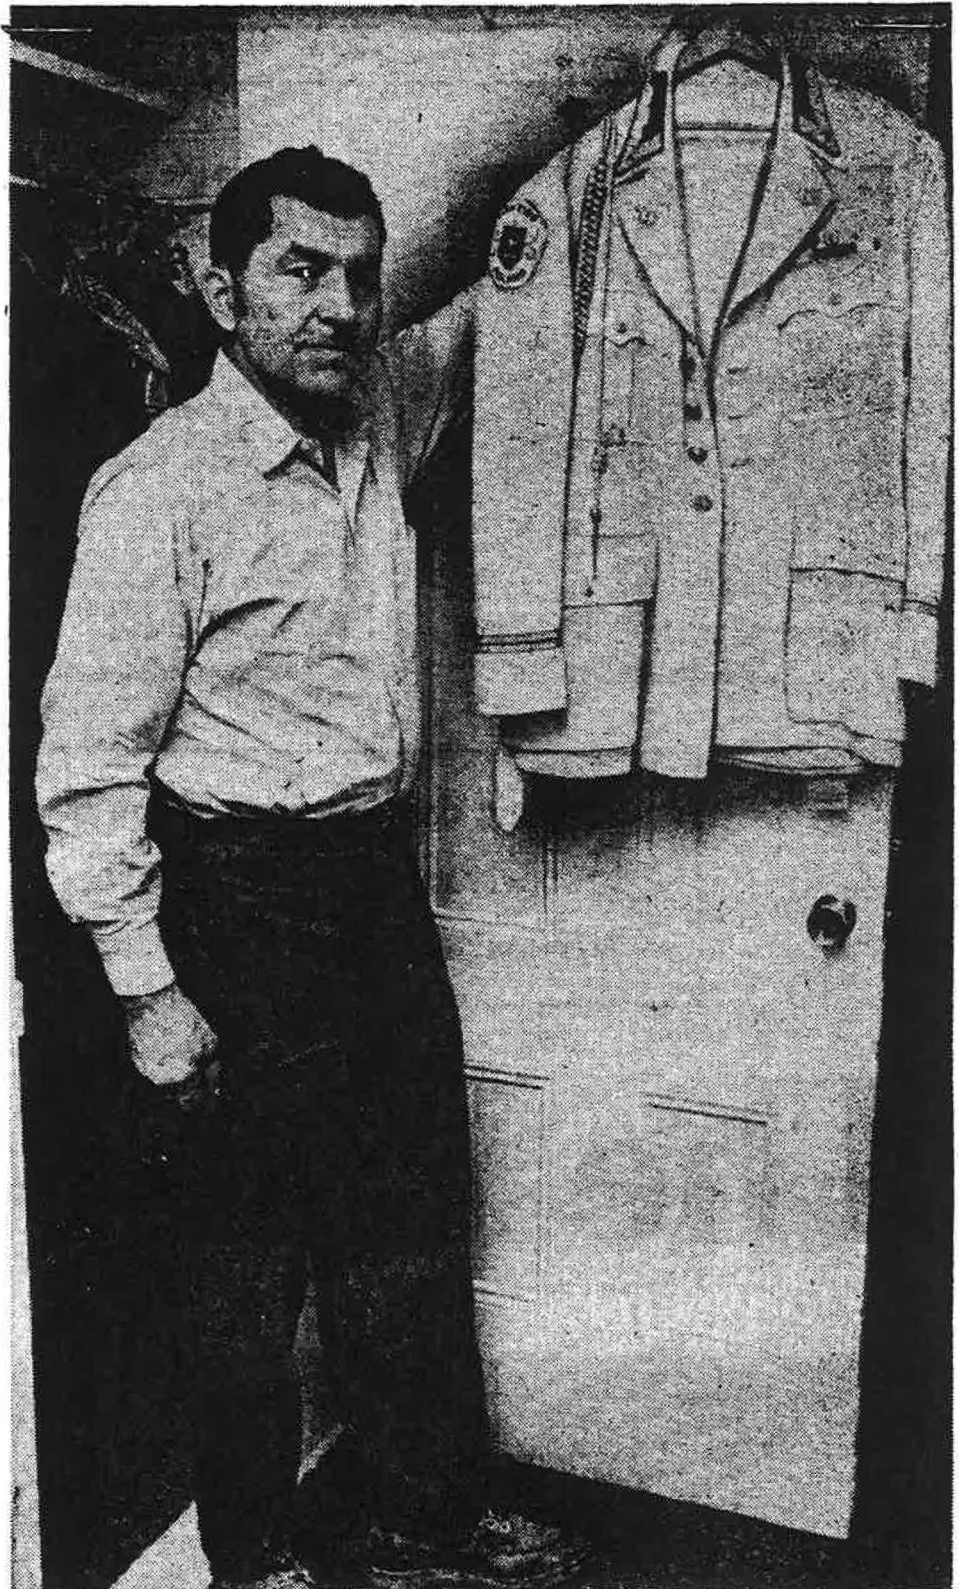

Joe had it cleaned and it hangs in his bedroom closet. He looked at it and said, "I might go back picketing. Maybe."

He hasn't thrown away his signs. They are all in the cellar. Ready to go.

# Who—and What— Is Behind the Demonstrations of Mlot-Mroz

By GORDON D. HALL

(Gordon D. Hall, who has been researching the activities of extremists both Left and Right for nearly 25 years, is a regular contributor to the Herald Traveler.)

It is difficult to write about Josef Mlot-Mroz, the self-styled Polish freedom fighter.

He picks on often and so indiscriminately, he has long ceased to be a genuine newsmaker. He already has 400 public demonstrations and nearly 100 arrests to his credit, and a personal investment of close to \$35,000 in travel expenses, picket signs and gaily colored paints.

He was outside the Federal Building in Post Office Square last Thursday to harass Daniel Ellsberg who is presently fighting extradition to California to stand trial for leaking secret Pentagon papers to the press.

Mlot-Mroz didn't, of course, clarify in any way, the difficult legal, moral, ethical and security questions raised by the Ellsberg case.

HE SIMPLY SHOUTED as he always does, the crudest and most primitive anti-Semitic epithets, trying at one point to whack Ellsberg with a seven-foot high, sheet-metal cross. He missed Ellsberg, but the cross struck a few television news cameramen.

Writing about such an agitator is often embarrassing because one is then devoting precious space to the irrelevancies of a bigoted mind, or placing a public crackpot close to the top of the news.

On Thursday, Mlot-Mroz kept shouting that Ellsberg is a "Red Jew" and a "traitor," thus substituting mindless invective for evidence. Ellsberg's Jewishness is no more germane to that case

than is the Jewishness of Asst. U.S. Atty. Lawrence Cohen who argued on Thursday, against the pleas submitted by Ellsberg's attorneys.

But so little is known about Mlot-Mroz or the Anti-Communist Confederation of Polish Freedom Fighters in The U.S.A., Inc. (ACCPFF) which he heads; perspective on both is long overdue.

MY OWN MAIL, for example, and for a number of years, been fairly heavy with inquiries about him. Any number of people seem to feel that he is the recipient of "Texas oil money," a vulgar "one-man show," or "someone who has been tortured by the Communists and has thus become a little extreme."

All of these opinions are inaccurate. Mlot-Mroz spends his own money, frugally saving from odd jobs and house and sign painting. The \$35,000 spent to date is a large figure in one sense, but not too impressive when it is remembered that he came to America from Poland in 1952 and began shortly thereafter, the picketing and counter-demonstrating he is now well known for.

That he is vulgar there can be no question, but he is not a one man show. The ACCPFF's membership is close to two-thousand, but few are willing to join Mlot-Mroz in the streets. This is the way he puts it: "My people are afraid to demonstrate with me. They know I get arrested a lot, and even beaten and stabbed, but they are proud of me, that I know."

There is ample evidence that the rank and file of the ACCPFF fully support their President.

EACH YEAR IN Salem, where Mlot-Mroz lives, well over a hundred local members turn up for the ACCPFF's annual dinner. He is the center of attention,

the object of strong handshakes from the men, and affectionate hugs from lady members.

This year's dinner was held at St. Joseph's Hall on Derby street in Salem on July 3.

The advance publicity was filled with virulent anti-Semitism. Mlot-Mroz falsely equates Zionism with Communism, neatly overlooking the Soviet role in the Middle East in behalf of the Arab countries. He is fond of writing about a "Zionist-Communist conspiracy" which is marked by "murder, land grabbing, confusion and anarchy."

ACCPFF advertised this year's principal speaker this way:

"The main speaker and recipient of the Polish Freedom Fighters Award for 1971 will be the Honorable Colonel Curtis B. Dall, the ex-son-in-law of the late President Roosevelt, and the chairman of the patriotic Liberty Lobby."

Dall didn't have to travel far to pick up his award. He was registered the entire weekend at the Statler Hilton, for he is, annually, one of the stars of the July 4th weekend God, Family and Country rally organized by the John Birch Society.

Liberty Lobby is an annual exhibitor at the same rallies.

Mlot-Mroz was not tortured by the Communists and he left his native Poland too early to have been a participant in the serious and courageous uprisings carried out by Poles against the puppet Soviet rulers.

**HE CALLS HIMSELF** a freedom fighter because the late Cardinal Cushing innocently mistook him for one. Liking the description, Mlot-Mroz adopted it, applying it to himself and his small, but growing circle of admirers.

To understand the nature of the Mlot-Mroz personality and movement it is necessary to understand the origins of both. It is in brief, a case of the transporting of old world hatreds and ignorance to America.

Mlot-Mroz and virtually all of his colleagues in the ACCPFF came to this country from Poland's peasant class. By his own admission, anti-Semitism was a staple of his home life and that of all of his friends.

**HIS DESCRIPTION** of life in the old country is emotional, contradictory, and repeatedly larded with the harshest of references to Jews. Here is a sample, verbatim, from a taped interview:

"In Poland, peasants and laborers, they was always working for the rich Jews, for the rich barons, they are all suffering, to be honest, we are working for nothing."

"All the business of everything were in Jews hands, but the point isn't that you know, the point is that when in 1917 the Communists took over Russia, the Jew in Poland gets power."

Challenged on points of historical accuracy, Mlot-Mroz is quick to yield, changing for example, the notion that Jews in Poland got "power" in 1917 to "well, they didn't get power but they started to," and then shifting ground to claims that Jews always "persecute Christians," and that peasants and laborers in Poland "have always hated Jews because they are dedicated

Christians" who resent being persecuted on religious grounds.

Mlot-Mroz applies the same kind of tortured analysis to events in America. Unable to comprehend that he is often arrested because he actually breaks the law or because the police realize he will be injured being so outnumbered when he starts swinging his placards or sheet-metal crosses, he visions a conspiracy at work against him.

**"THE POLICE IN** Boston are controlled by the Jews, that's why I'm arrested," is the way he explains it, singling out Commissioner MacNamara as the "big stooge for the Jewish Communists."

Against such a background, it is really not remarkable to find Mlot-Mroz in close

contact with anti-Semitic and white supremacy organizations. His bigotry is nourished in America by well established hate sheets like Common Sense published in Union, N. J., and Gerald L. K. Smith's Cross And The Flag issued in Los Angeles.

Large quantities of both publications are distributed by Mlot-Mroz to his ACCPFF membership, and he is fond of reprinting articles from both in his own releases every month.

**LACK OF ACCEPTANCE** in the large and responsible organizations serving the Polish-American communities has left Mlot-Mroz with little more than his ACCPFF constituency spread thinly across the country, plus encouragement

from a spate of discredited hate-your-neighbor organizations.

It is ironical that the man who sings "God Bless America" at the top of his lungs while being carried from street-corner brawls to police wagons, has not seen fit to become a naturalized citizen.

"I was born a Pole," advises Mlot-Mroz, "And I want to die a citizen of my beloved Poland. It is my opinion that I can do more for this country by being a citizen of Poland and by fighting the Communists here than becoming a citizen."

"My ambition was always to give, you know, my life for my country and to give the heart for the God. I am ready to die even tomorrow for that."

IN 1966, Josef Mlot-Mroz was carried from the Hatch Memorial Shell, where he disrupted an anti-war rally.

Dear Ed:

I am enclosing a photostatic copy of a page taken from the hate sheet published by Jozef Mlot-Mroz of Salem, Mass., the so-called Polish Freedom Fighter. You will note that he has reprinted a copy of a letter which you sent to him last June asking him that he remove your name from his mailing list. The letter follows a piece written by Mlot-Mroz entitled "Down With Black-Jew Conspiracy!" which is an attack on the ADL and yourself.

I have made available copies of all of this material to the FBI and Secret Service offices in Boston.

## DOWN WITH BLACK-JEW CONSPIRACY I

We, herewith, present a letter which was sent to our home-address, sent by Senator Edward W. Brooke of Massachusetts, this enemy of the nation of America and President Nixon; the Black-Jew, who, on pretense that with his conservative slogan and his display of patriotism, he would gain the support and election to the office of Senator, today, when the American Nation needs more than ever before, help, understanding and protection, then, instead, he took the side of the Jewish-communists, their anarchy and revolution, and, together with the enemies of the U.S.A., he strikes the last nail into the coffin of the American Nation.

He demands so-called "Freedom of Speech" for the negroes and for the anarchists, and he explains in his letter in the following manner: "I would defend on any platform your right to speak your mind... but, because he could not bear that painful truth which we, the Polish Freedom Fighters proclaim in our bulletin: "S.O.S. U.S.A., Ship of State", he makes this demand: "But, I would be most appreciative if you would take my name off your mailing-list..."

This poor, Black-Jew, hates to know the truth and the words expressed by us, that he even demands the cessation of sending to him our monthly bulletin.

Perhaps that Jewish-communist tube, through which he is able to read and stir himself up with Zionist-Jewish propaganda when he hears about the "gains" of the murderers and land-grabbers-the Jews-at the Middle East, but, he cannot and does not want to read that painful truth about himself and the thousands of other anarchists and Black-Jews, who, benefitting from "Freedom of Speech", they now want to see America humiliated, and force the Americans to intervene for the Jews in the Middle East, and even yearn to bury our President Nixon, who is defending us from intervening for the purpose of helping Israel with its war-policy!

That political-clown, Senator Edward W. Brooke, that slave of Jewish-communist propaganda, that enemy of the U.S.A., and President Nixon, the poor, Black-Negro, is crying with tears running down his clothing in anger because of the patriotic stubbornness of President Nixon, stirs himself up from public opinion, and yearns for "freedom of speech" for every anarchist and protects every anti-American revolutionist, but, he sat quietly and preferred silence, when a black-Jew from his own "colony"-Roxbury-several years ago struck his knife into my side, to show that because of the will of the Jewish-communists, he must liquidate Mlot-Mroz.

Edward W. Brooke never came to the Boston City Hospital to visit me when I was on the "danger-list", because of wounds inflicted by one of his henchmen, and, while I was lying on a hospital cot, I had to

spend several weeks, to recover from the wounds which were directed by his pulpitmen, like: Rev. Virgil Wood and Rev. Orange, who represents his proteged Boston Freedom Home. He would not even send me a few words of comfort and cheer, or even help during my unfortunate and unexpected attack, whereas, there were others, of less importance, who sent to me over three thousand letters of good wishes for a rapid recovery.

As my Senator from Massachusetts, he was afraid to anger the Jews or the Jewish Anti-Defamation League, which was one of the planners of murdering me and they paid for that attack upon me. And, today, the same Senator is afraid-Senator Edward W. Brooke-is afraid to read about that painful truth concerning the Jewish-communist conspiracy, while, on the other hand, he helps those anarchists and revolutionists, and backs up their anti-American work and fighting, and yet, he is permitted by law to say that in behalf of that same "freedom of speech", he should see me liquidated also.

In the service of God, Freedom and Country, and, in behalf of the fight against the Jewish-communist conspiracy.

JOSEPH MLOT-MROZ, 18 Boardman Street, Salem,  
furnished the following information:

On May 10, 1968, after parking his car on a side street off of Blue Hill Avenue, Roxbury, Massachusetts one block north of the Blue Hill Christian Center (BHCC), he proceeded to the area of Quincy Street and Blue Hill Avenue where buses were parked and a crowd had gathered to participate in the Poor People's Campaign. He carried a sign which suggested that the answer to poverty was to go to work and took a position across from the parking lot at the corner of Blue Hill Avenue and Quincy Street. After standing there for a short time with his sign he was attacked by several Negroes who knocked him to the ground and beat him. He recovered shortly and was helped to his feet by bystanders and he again took up his position.

A few minutes later he was again assaulted by a group of Negroes so severely that he was not able to recover so quickly. He was again helped to his feet by bystanders and was told to leave the area before he got killed. He then proceeded along Blue Hill Avenue alone in the direction of his car and he noticed that he was being followed by two Negroes, identities unknown. When he reached his car, he attempted to drive away from the area and go home but being unfamiliar with streets and traffic regulations in that area he found himself at the corner of Lawrence Avenue and Blue Hill Avenue one block from where he had originally taken up his position and in the same area where the crowd was located. In an attempt to take a left-hand turn on Blue Hill Avenue, and get out of the area, he was blocked by traffic and while in that position two or three Negroes attempted to get into the car. One of them smashed the window in the driver's side with a rock of some kind, reached in and unlocked the car pulling the door open while another reached in and stabbed him from behind. His attackers then ran off and he got out of the car and proceeded up Blue Hill Avenue toward Quincy Street shouting to the crowd what had happened to him. Then someone

hailed a passing car, put him into it and he was taken to the Boston City Hospital where he was treated.

He stated that he is unaware of the identities of any of the people who assaulted him or stabbed him and did not know the names of any witnesses to these acts except [redacted] whom he believes may have been involved in some way.

He believed [redacted] to be involved because on May 8, 1968, when MLOT-MROZ was demonstrating with the same sign at a Poor People's Campaign gathering at Brunswick, Maine, [redacted] told him that although he may get away with his anti-demonstration in Maine warned him not to come to Roxbury. MLOT-MROZ originally took this warning to mean that he might suffer an arrest in Roxbury and did not at that time interpret the warning that his safety would be threatened.

He stated his wounds are completely healed now and he is unaware that any photographs were taken of his injuries. He stated that the damage to his car has been repaired and that he is being reimbursed by insurance.

[redacted] Division 9, Boston, Massachusetts Police Department, advised that he is the investigating officer assigned to the case involving the incidents which took place on May 10, 1968 at the Blue Hill Christian Center (BHCC), Roxbury, where JOSEPH MLOT-MROZ was assaulted and stabbed. He furnished the following information:

He interviewed MLOT-MROZ at Boston City Hospital shortly after he entered the hospital for treatment to ascertain the necessary information to apprehend those responsible. At that time MLOT-MROZ was vehement about prosecuting these people and was cooperative in furnishing information.

Subsequent to MLOT-MROZ's discharge from the hospital [redacted] contacted MLOT-MROZ and asked him to appear at Division 9 police station. Shortly thereafter MLOT-MROZ did appear at the police station and when [redacted] attempted to solicit his cooperation in identifying suspects, MLOT-MROZ refused to cooperate. [redacted] prevailed upon him to view some photographs which had been taken by the news media in the hope of identifying those responsible, but MLOT-MROZ stated that he was too busy with his occupational activities as a house painter and the conduct of his demonstrations to become involved in the matter. [redacted] recalled that MLOT-MROZ gave as an example that he recently took a job as an interior decorator of a house and told the woman with whom he was contracting that if anything came up in the way of a demonstration, he felt it necessary to conduct, the demonstration would come first and the decorating second and that he was currently being sued by this individual for not completing the job on time. MLOT-MROZ stated that he would not sign a complaint in any event, and would not appear as a witness even if good suspects were developed. He told [redacted] "you can do what you want about it." [redacted] advised that no suspects concerning the stabbing nor the assault have been developed and recalled that as soon as MLOT-MROZ left Division 9 police station in his automobile on this occasion he again drove to the same area in Roxbury

where he was assaulted and stabbed which [redacted] considered to be very poor judgment on the part of MLOT-MROZ.

[redacted] stated that he has no information of any complaints made to Division 9 by any other individuals concerning the assault and stabbing of MLOT-MROZ. He stated that the investigation in the matter is now at a standstill because of the reasons noted above.

furnished the following information:

He recalled the incidents that took place on May 10, 1968, where JOSEPH MLOT-MROZ was assaulted and stabbed just prior to the Poor People's Campaign busses left Roxbury, Massachusetts for Providence, Rhode Island. He could not give any actual details of the incidents from an eyewitness point of view

[redacted]

He saw MLOT-MROZ with his sign and knew that he had been assaulted on two occasions after these assaults had taken place and also that he had been stabbed, but he did not see these events take place and did not know the identities of the perpetrators.

He was moving back and forth to the various parts of the area where the busses were parked and he looked up to see a crowd gathered in the vicinity of MLOT-MROZ's automobile, saw him emerge from his car and proceed in the direction of the Blue Hill Christian Center.

[redacted] then with others assisted MLOT-MROZ to a passing car, an unmarked car containing a uniformed policeman, and assisted him into the car.

[redacted] stated that he was not involved in any way with any of these acts of violence which he detested and discouraged on all occasions especially since they reflect adversely against the Poor People's Campaign which is a non-violent undertaking. He could furnish no additional information concerning the matter.

DETAILS:

This investigation is predicated on a request of Assistant Attorney General STEPHEN J. POLLACK, Civil Rights Division, United States Department of Justice, as contained in a memorandum to the FBI, dated August 30, 1968, which states that on May 10, 1968, in Boston, JOSEPH MLOT-MROZU, Salem, Massachusetts, reportedly was stabbed and beaten in the course of scuffles with Negro participants in the Poor People's Campaign who were embarking for Washington, D. C. MLOT-MROZ, a white man, was carrying a picket sign which opposed the Poor People's Campaign and which reportedly boasted the fact that he was fighting poverty by working. The following is a limited investigation in connection with that request.

Special Agents of the FBI observed the following activity except where otherwise indicated:

On May 10, 1968, the Poor People's Campaign was continuing in the vicinity of the Blue Hill Avenue Christian Center (BHCC), 288 Blue Hill Avenue, Roxbury, Massachusetts, which is Boston Headquarters for the Southern Christian Leadership Conference (SCLC), where ten Greyhound buses waited to take participants to Providence, Rhode Island. Scheduled departure time was 10:00 A.M. and only two buses, partially filled with a total of approximately 70 people, departed for Providence, at 11:20 A.M.

Before the buses departed, a crowd of approximately 150 people, mostly Negro, milled around the BHCC where music and taped speeches of the late MARTIN LUTHER KING were heard over loud-speakers. JOSEPH MLOT-MROZ, who in the past distributed literature identifying himself as Editor and President of Anti-Communist Federation of Polish Freedom Fighters in the United States of America, Inc., appeared on the scene carrying a sign which stated: "I Am Fighting Poverty, I Work! Have You Tried It... It Works!"

[REDACTED]

On May 8, 1968, [REDACTED]  
Division 2, Boston, Massachusetts Police Department,  
advised that on that date MLOT-MROZ made a complaint  
to him that [REDACTED]  
had threatened his safety while at Brunswick, Maine.

On May 10, 1968, approximately five minutes after  
he appeared on the scene outside the BHCC, MLOT-MROZ  
was assaulted by several Negroes who knocked him to the  
pavement where they kicked and stomped on him. This  
action took place in full view of the television cameras  
and newsmen. [REDACTED]

[REDACTED] finally stopped the assault, helped the  
victim to his feet, propped him up against the fender of a  
parked car and returned his sign.

A few minutes later, as MLOT-MROZ was leaning  
against the car with his sign, a heavy set Negro wrestled  
him to the pavement between two parked cars where he  
appeared to be beating him with three or four other  
Negroes who tore up his sign. This action could not be  
observed clearly because it was partially obscured by  
the parked cars and the crowd. After MLOT-MROZ laid  
on the street for several minutes, apparently unconscious,  
he was revived by some of the bystanders and told to leave  
the area. He was holding his left side with his hand  
which appeared to be bleeding. [REDACTED] led MLOT-MROZ  
down Blue Hill Avenue in the direction of his car, but  
he pulled away from [REDACTED] and continued on alone.

About five minutes later, MLOT-MROZ returned  
limping to the area of the BHCC holding his left side and  
bleeding profusely. He was shouting: "Look what they did

to me." and "They took the keys to my car." [redacted]  
[redacted] who had remained in the area, hailed a passing unmarked police car and MLOT-MROZ was transported to the Boston City Hospital.

The exact time of the stabbing could not be ascertained by observation. Boston news accounts relate that MLOT-MROZ went to his car, which was parked a few blocks away from the BHCC and attempted to drive away when he was set upon by several Negro youths who broke the windows of his car and stabbed him. According to these accounts, police were looking for a six foot, 200 pound Negro who was wearing a white turtleneck sweater with a large collar and a green sash.

At the time of the above assault, [redacted]  
[redacted] was observed in front of the BHCC [redacted]  
[redacted]

Although no police officers were observed in the area at the time of these assaults, about ten minutes after MLOT-MROZ was taken from the area, Boston Police cars were seen cruising the area and a police officer began directing traffic.

b6  
b7C

[redacted] Intelligence Division, Boston Police Department arrived on the scene after MLOT-MROZ was taken from the area and he advised that he had been made aware of the assault and stabbing and that he had information that a heavy set Negro who initiated the second assault was [redacted]  
[redacted]

On May 10, 1968, [redacted] Security Police, Boston City Hospital, advised that the medical report on MLOT-MROZ indicated that he had received one stab wound in the area of the lower left back and was bleeding badly when he entered the hospital. According to [redacted] MLOT-MROZ was on the danger list and an operation was being considered.

BS 173-79

On May 11, 1968, [redacted] Division 9, Boston Police Department, advised that he had talked to the doctor who was treating MLOT-MROZ at the Boston City Hospital and that the doctor had advised him that MLOT-MROZ's condition is considered good and that the prognosis is good. He stated that MLOT-MROZ is considered to be in no danger even if surgery is required. [redacted] advised that the Boston Police are still attempting to identify the person who stabbed MLOT-MROZ and that they have been viewing television pictures taken on the scene in an attempt to identify the perpetrators.

Commenting further on the incident, [redacted] stated that police cars of Division 9 had cruised the area of the BHCC from time to time and that a sizeable contingent of police officers was not assigned to the area because it was felt that no incidents were likely to occur since the crowd seemed peaceful.

On September 6, 1968, [redacted] Intelligence Unit, Boston, Massachusetts Police Department, advised that no arrests have been made in connection with the above incident and that to his knowledge no suspects had been developed. He advised that the previous information that [redacted] may have been involved in the assaults was found to be inconclusive and unsubstantiated. [redacted] advised that [redacted] was the Boston Police Officer who was investigating the matter.
